

Handwriting Checklist

(small size)

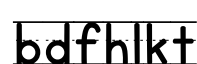

FuntasticOTTools.com

The handwriting checklist is a perfect "travel" size for children to keep on their desk, in their pencil box, and in their notebooks. Children can use the handwriting checklist to self-check their handwriting before completing and submitting assignments.

Instructions: Print, cut, and enjoy!

*To ensure the durability of the handwriting checklist, you can print on hard paper (cardstock) or laminate.

*The measurement of the handwriting checklist below is approximately 5 inches in height and 3 inches in width.

Handwriting Checklist 
Letters touch the bottom line. 
Short letters start at the middle dotted line. 
Tall letters touch the top line. 
"Go under letters" go under the bottom line. 
Spaces go between words. 
Letters are the same size.
