

UPPERCASE LETTERS

HANDWRITING BOOK

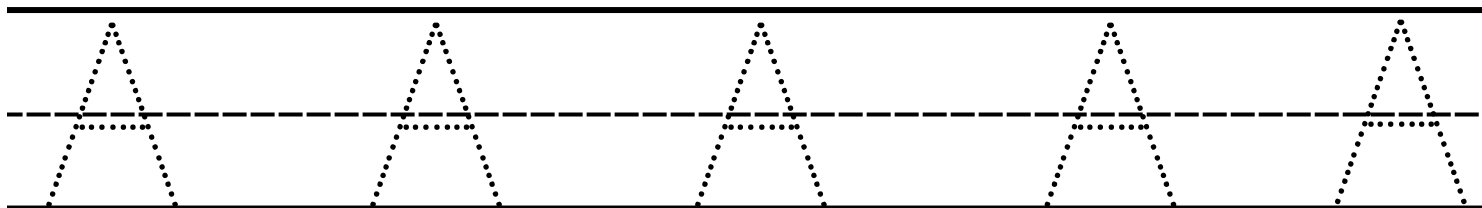

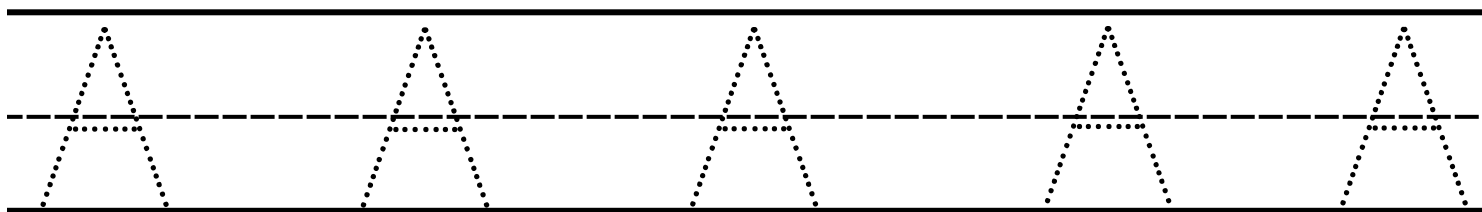

Let's trace letter A.

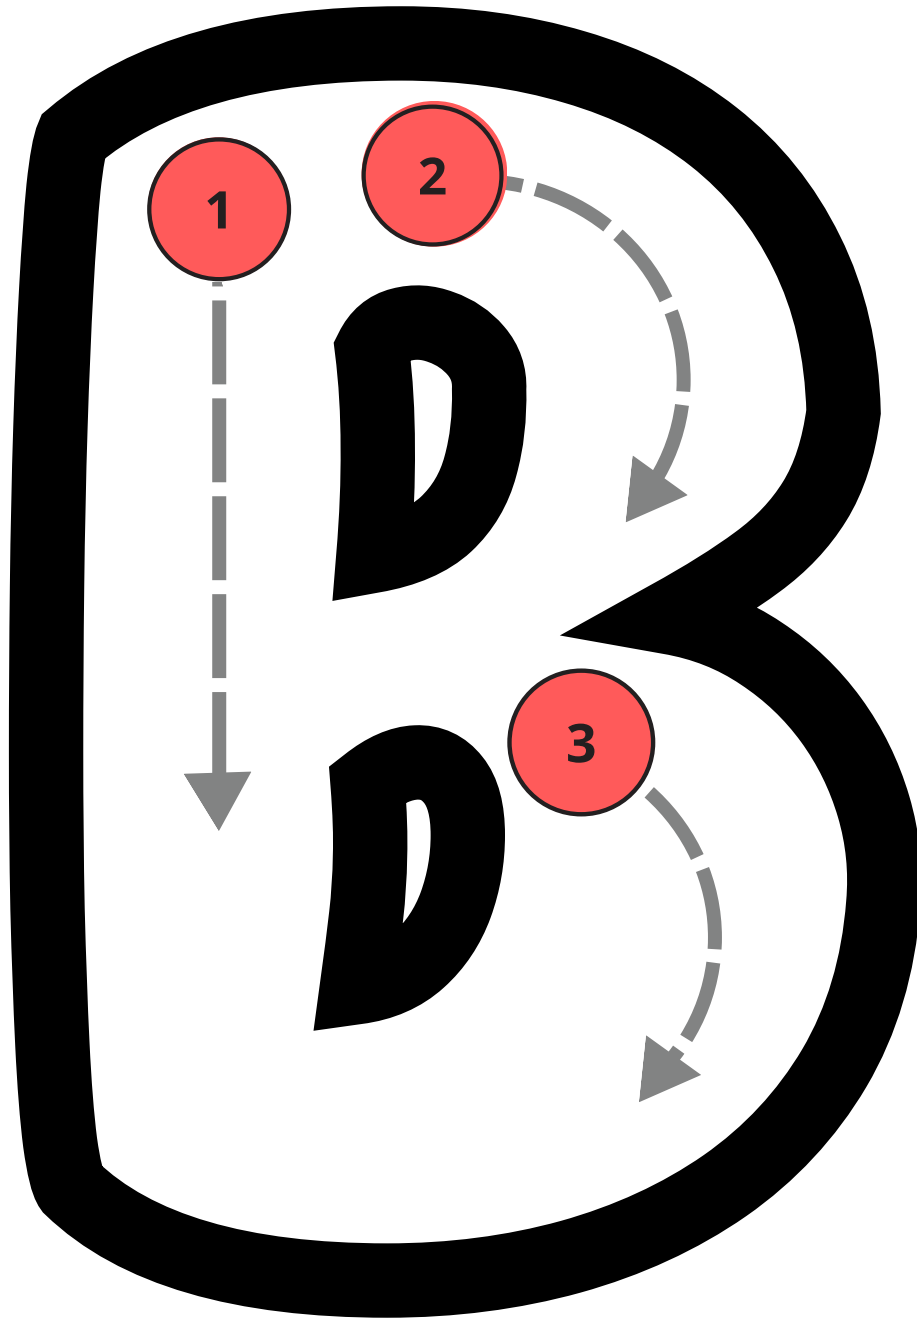

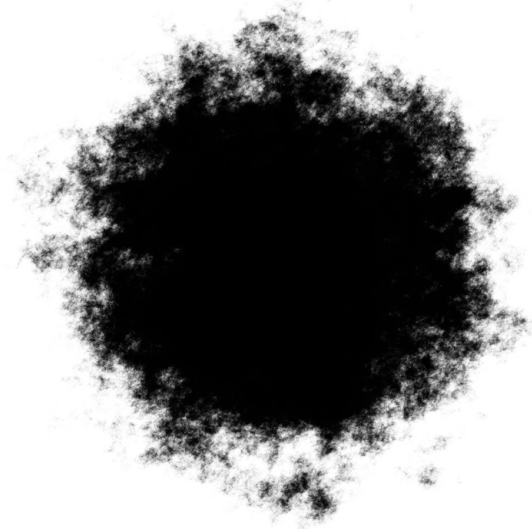

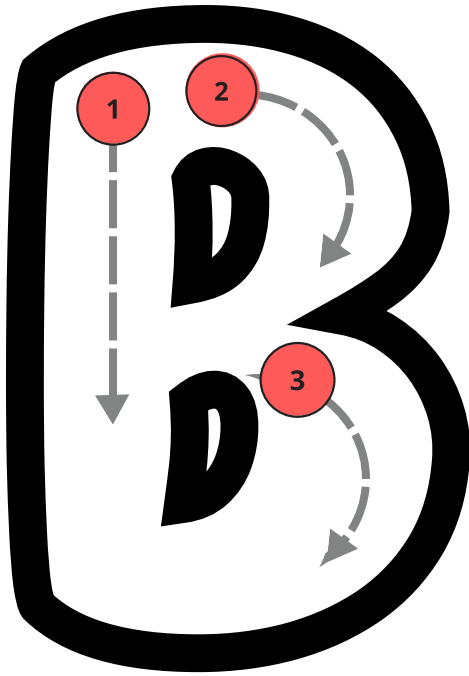

A is for Astronaut.

Trace the letter.

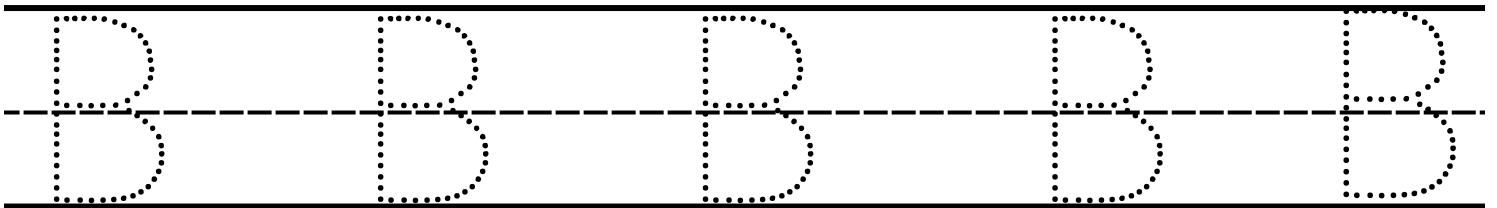

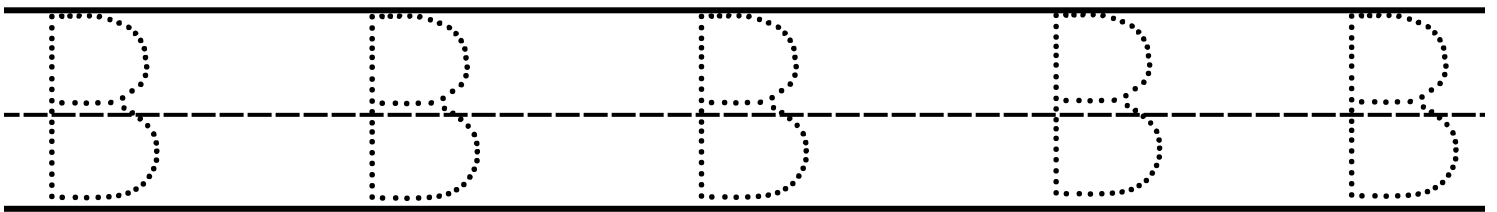

Let's trace letter B.

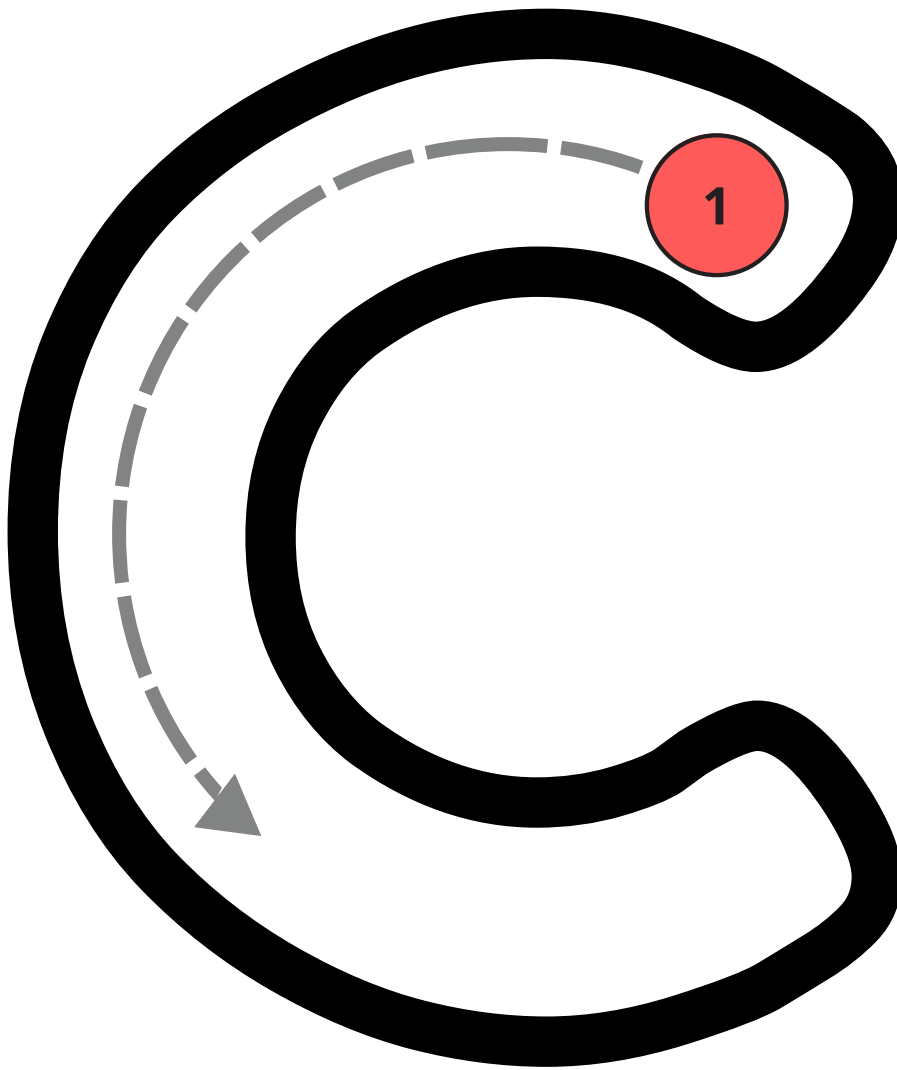

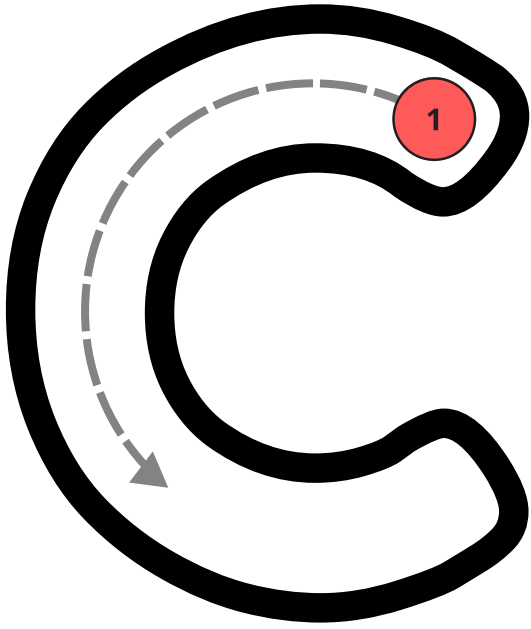

B is for Black Hole.

Trace the letter.

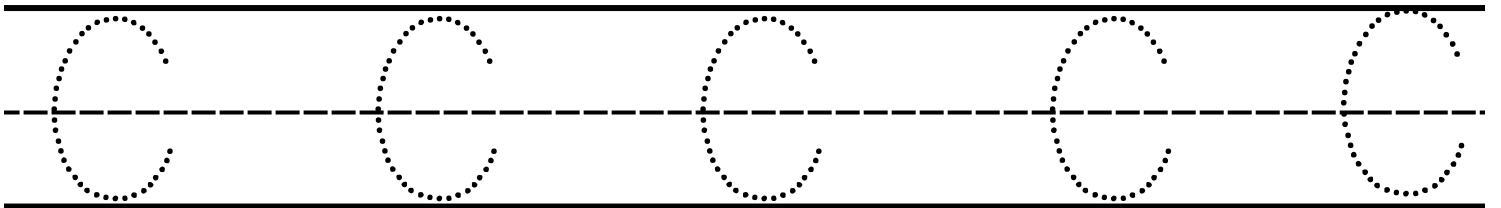

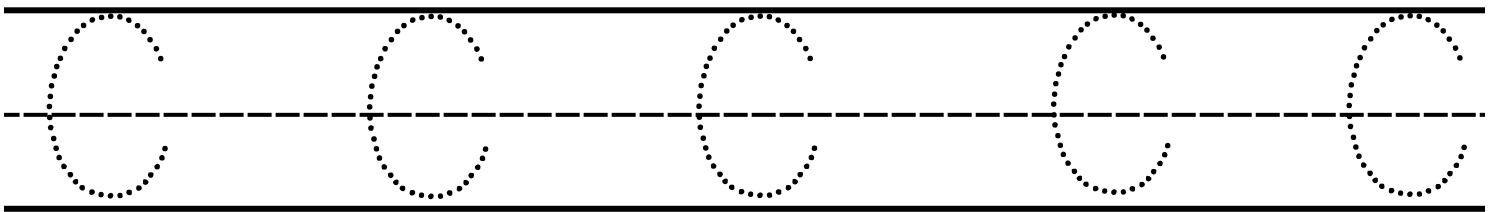

Let's trace letter C.

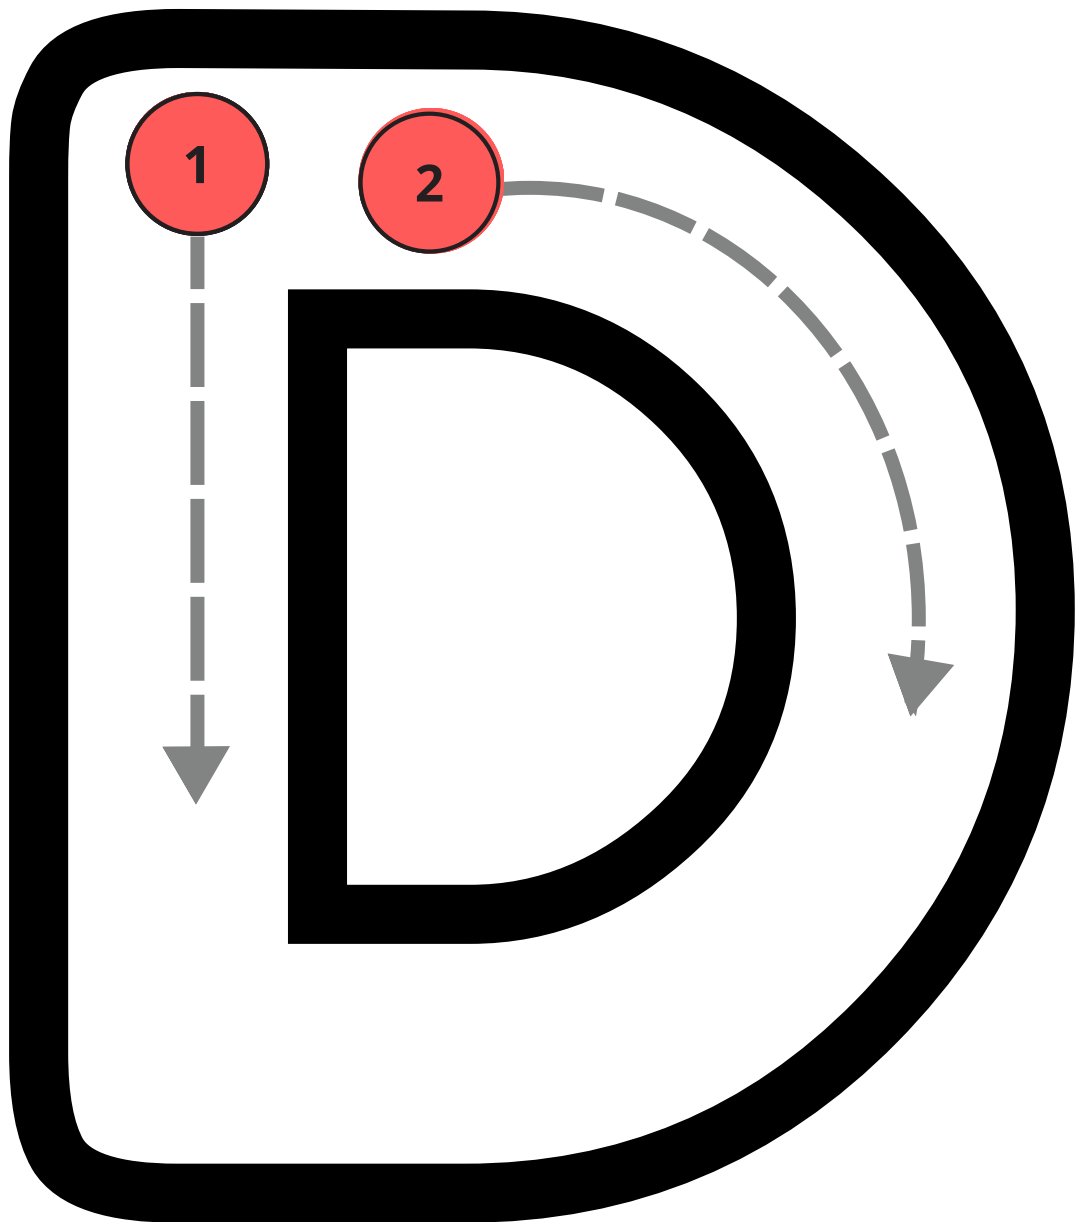

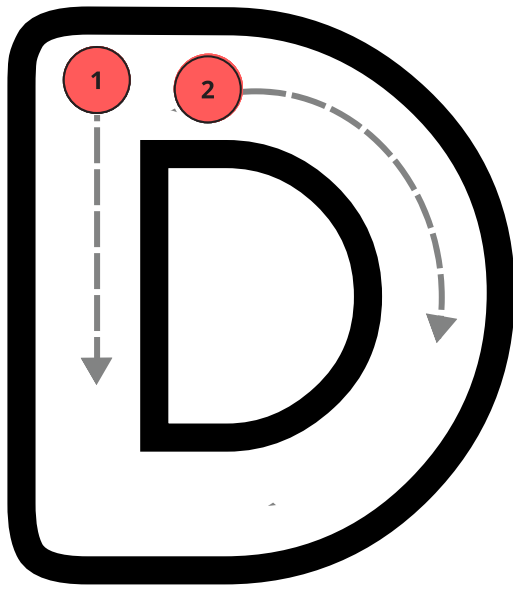

C is for Comet.

Trace the letter.

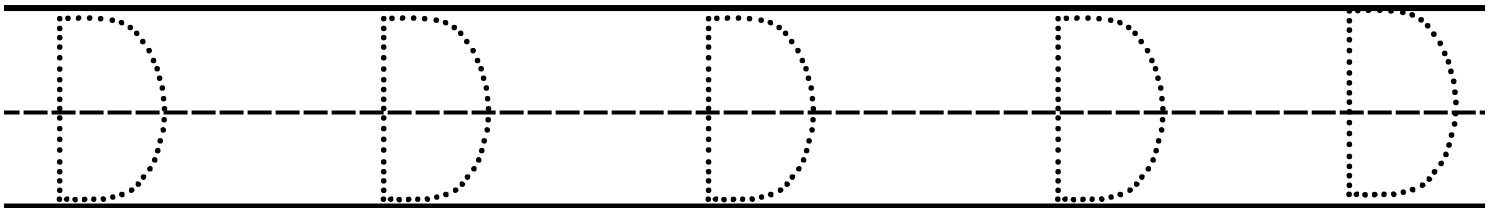

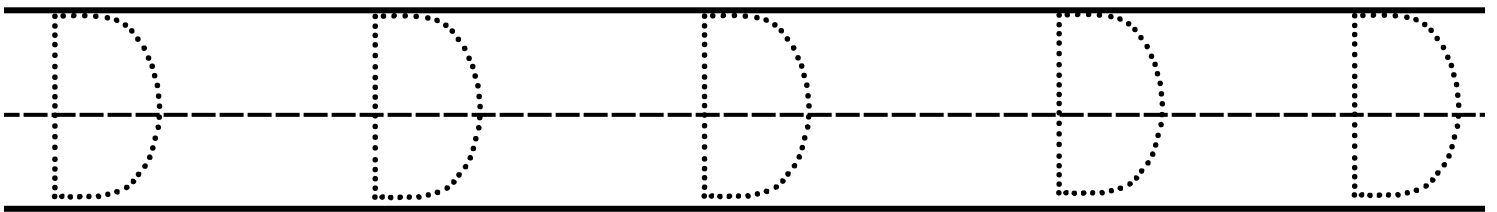

Let's trace letter D.

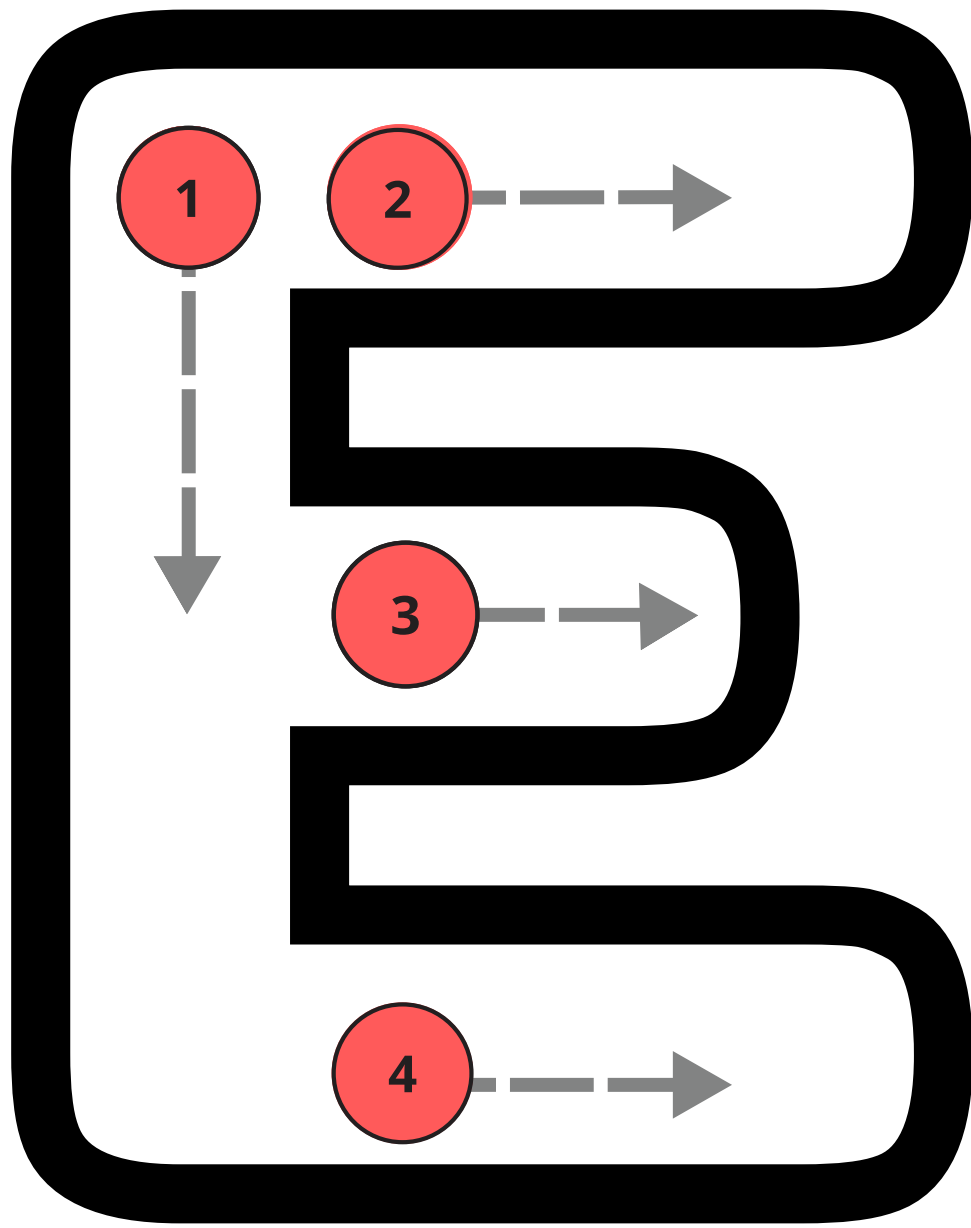

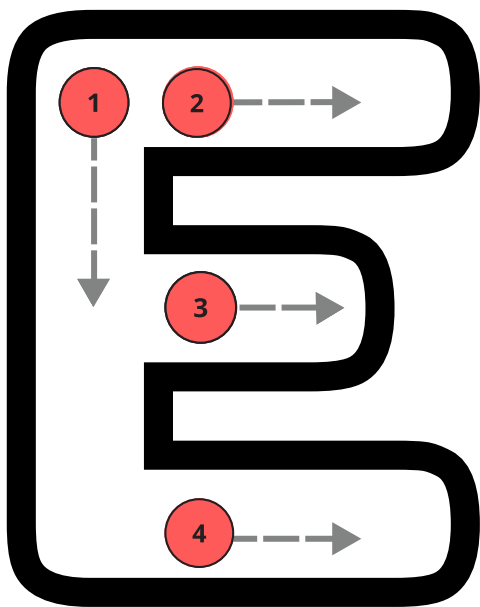

D is for Double Star.

Trace the letter.

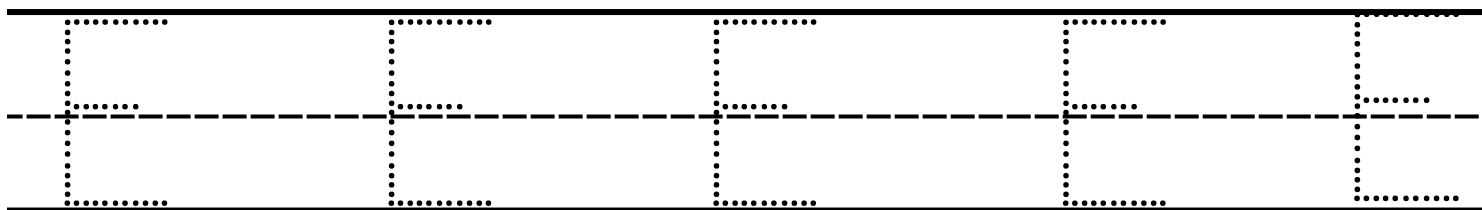

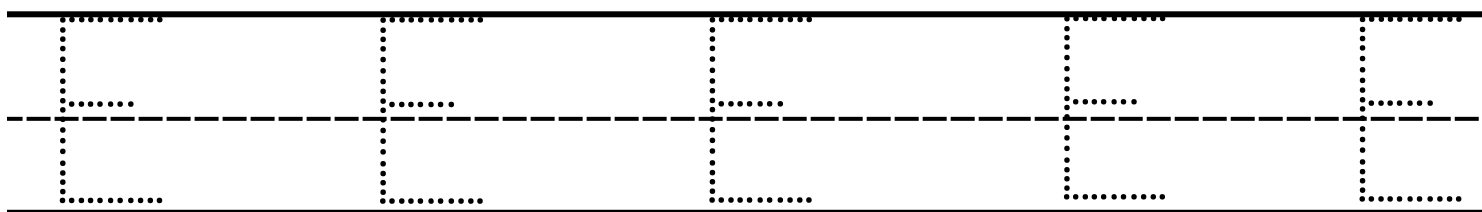

Let's trace letter E.

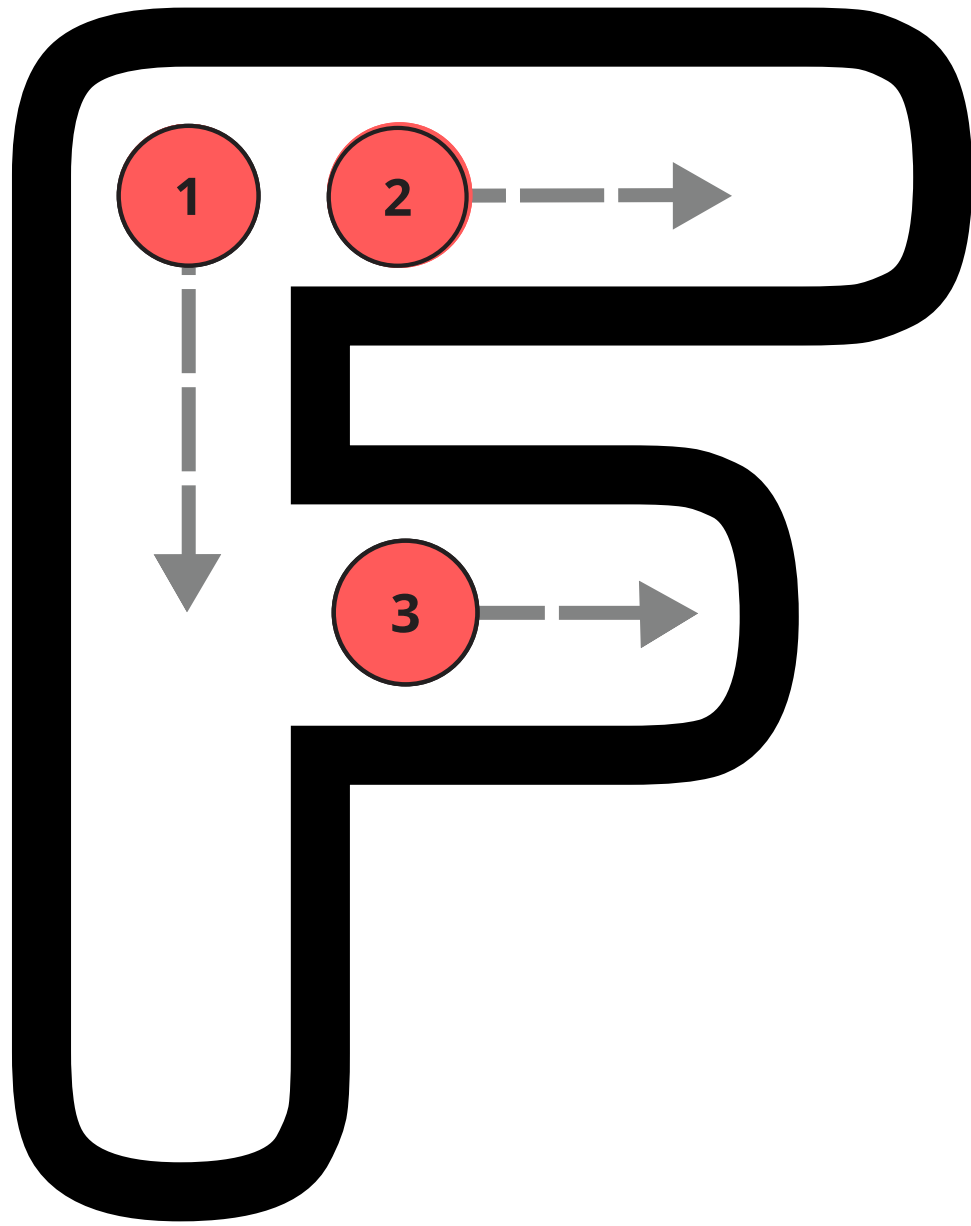

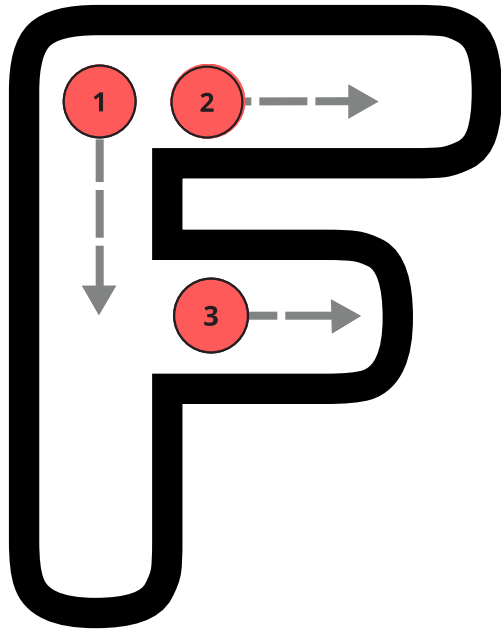

E is for Earth.

Trace the letter.

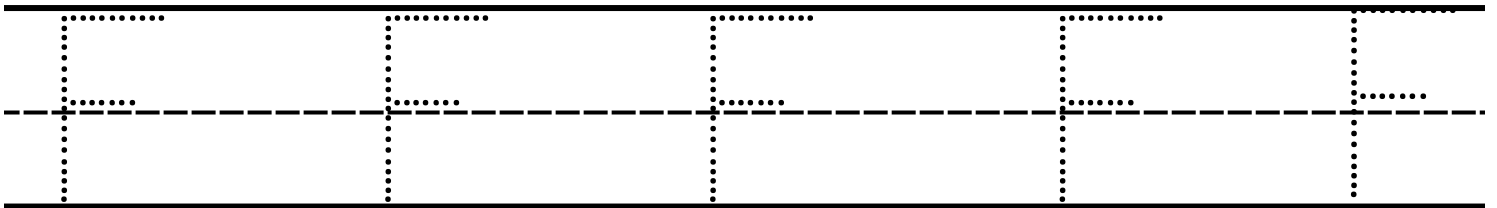

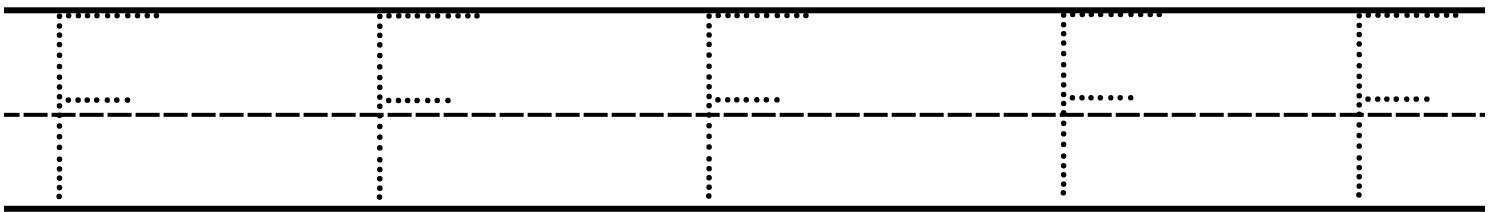

Let's trace letter F.

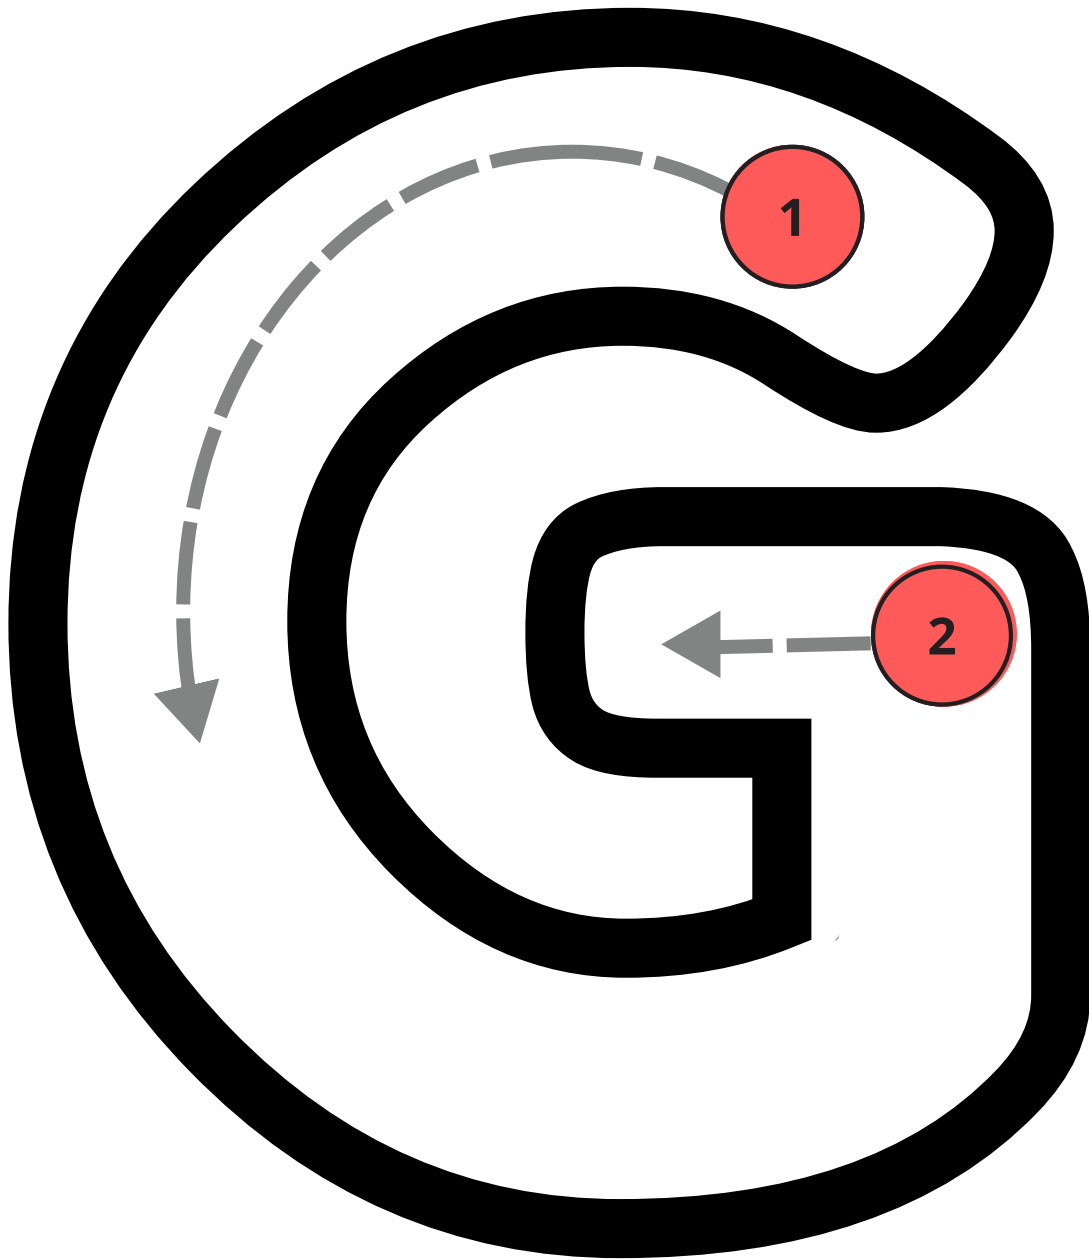

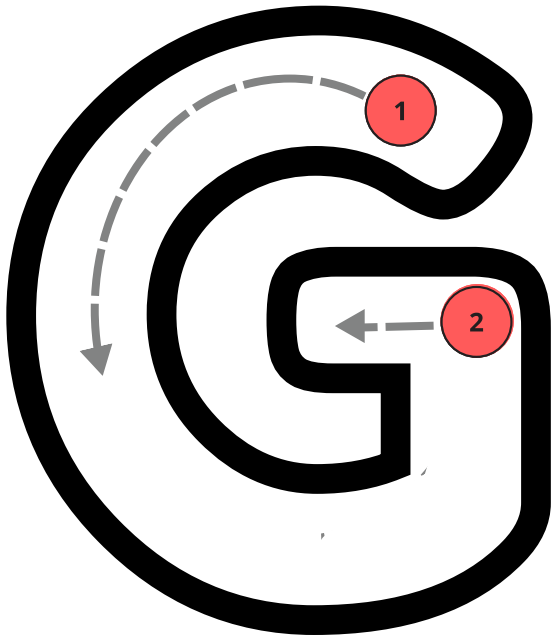

F is for Flying Saucer.

Trace the letter.

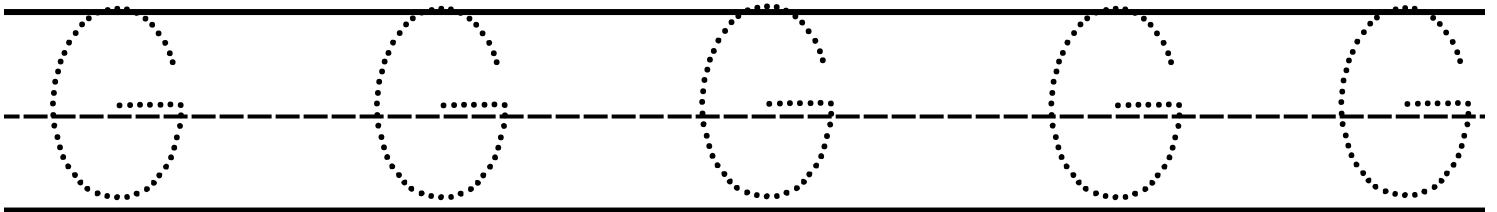

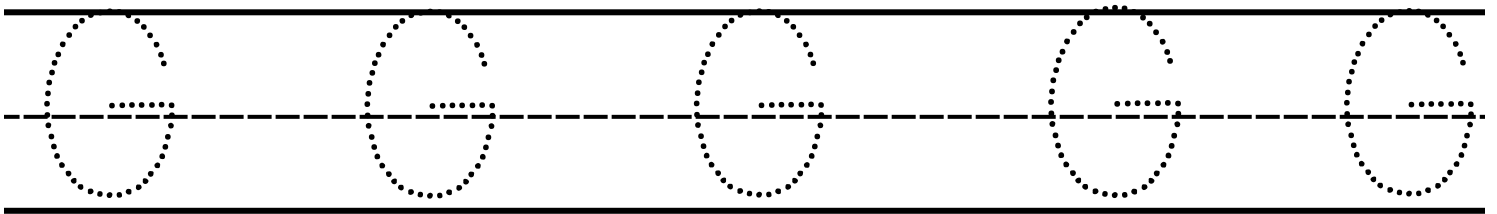

Let's trace letter G.

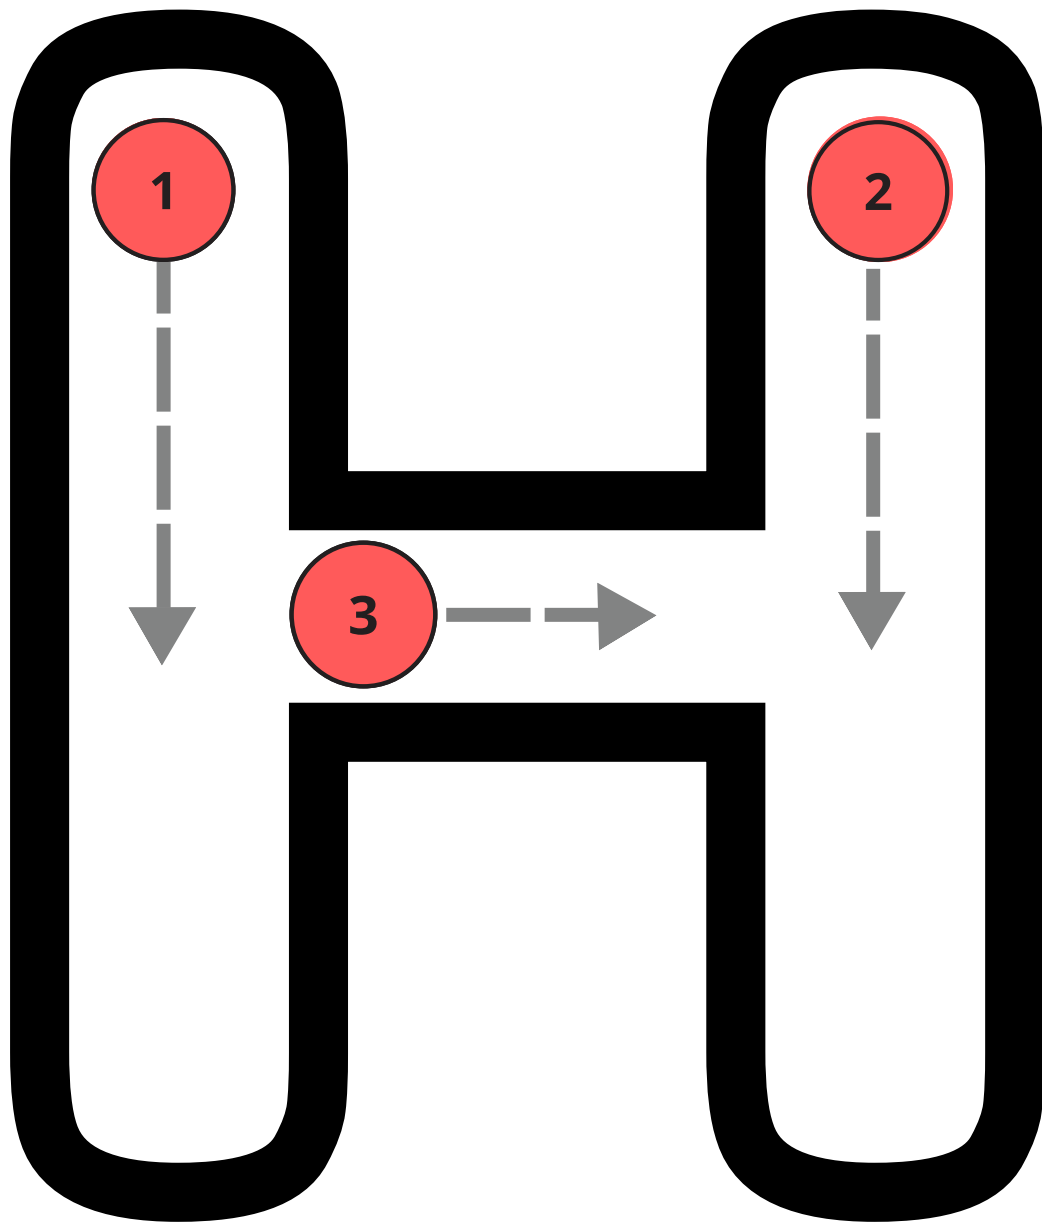

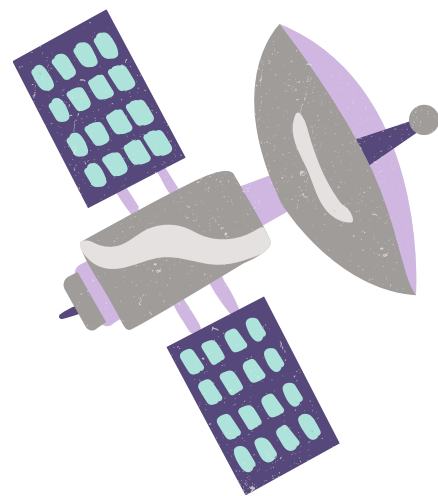

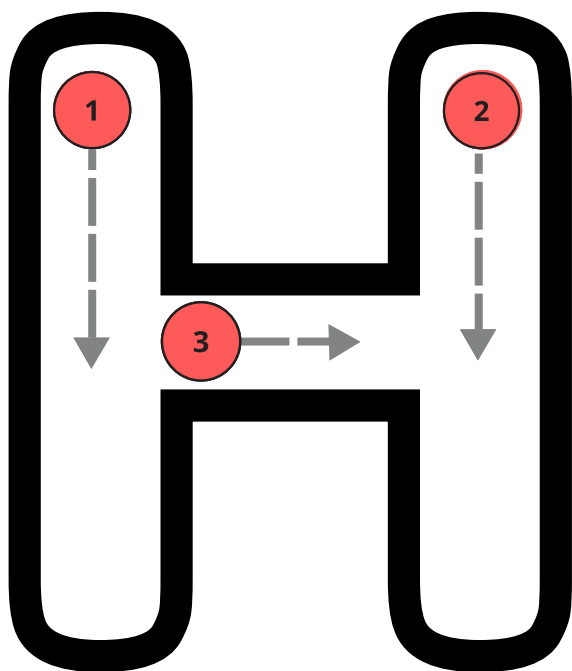

G is for Galaxy.

Trace the letter.

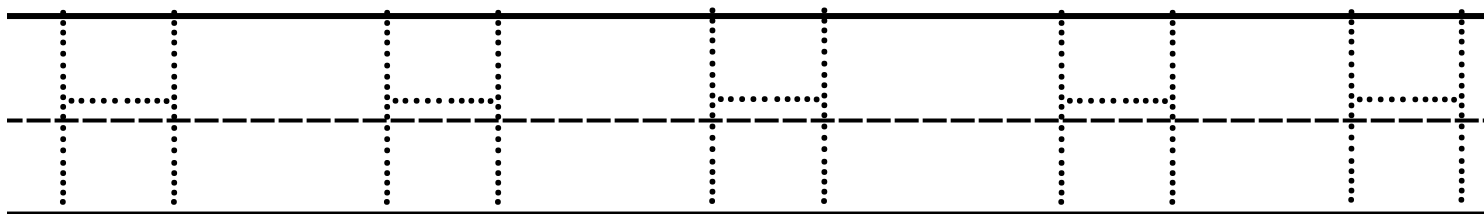

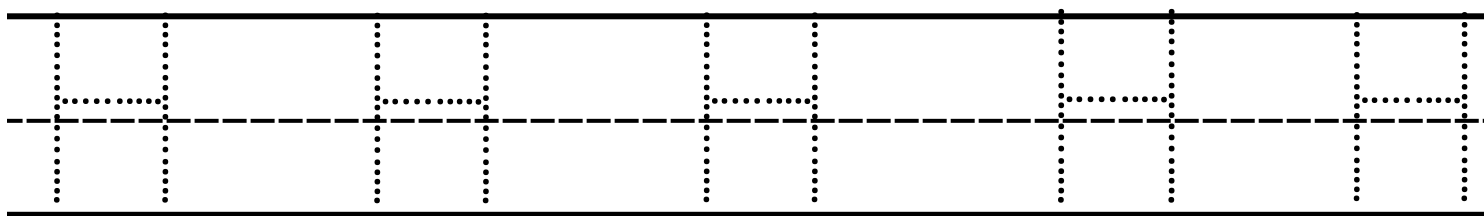

Let's trace letter H.

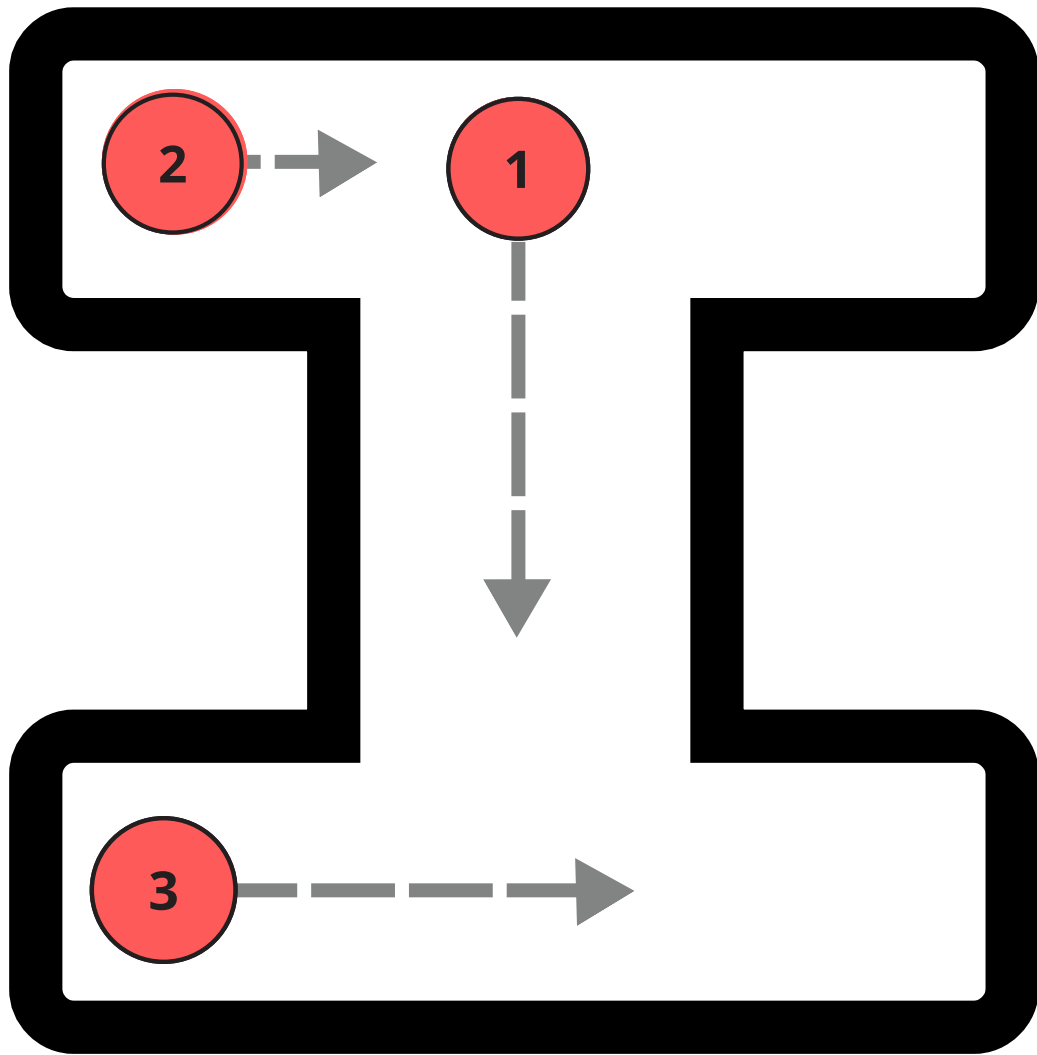

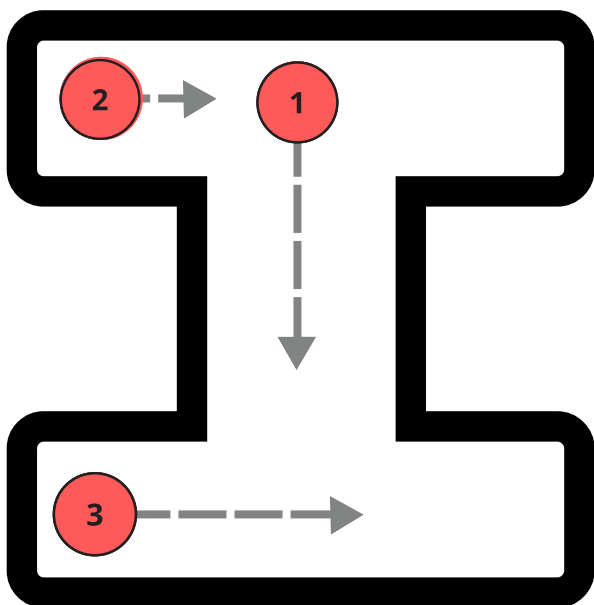

H is for Hubble Space Telescope.

Trace the letter.

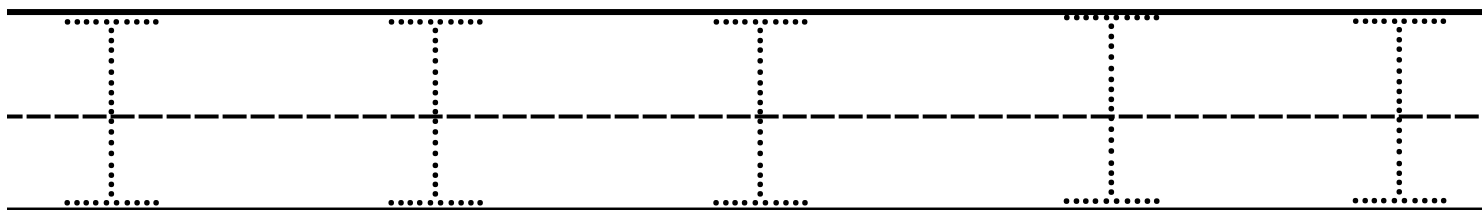

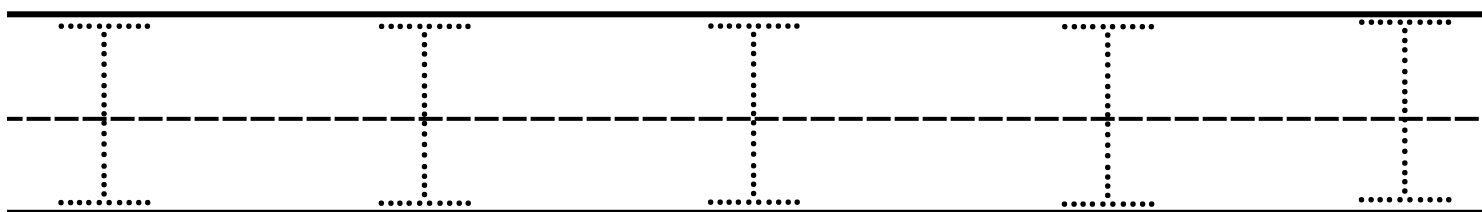

Let's trace letter I.

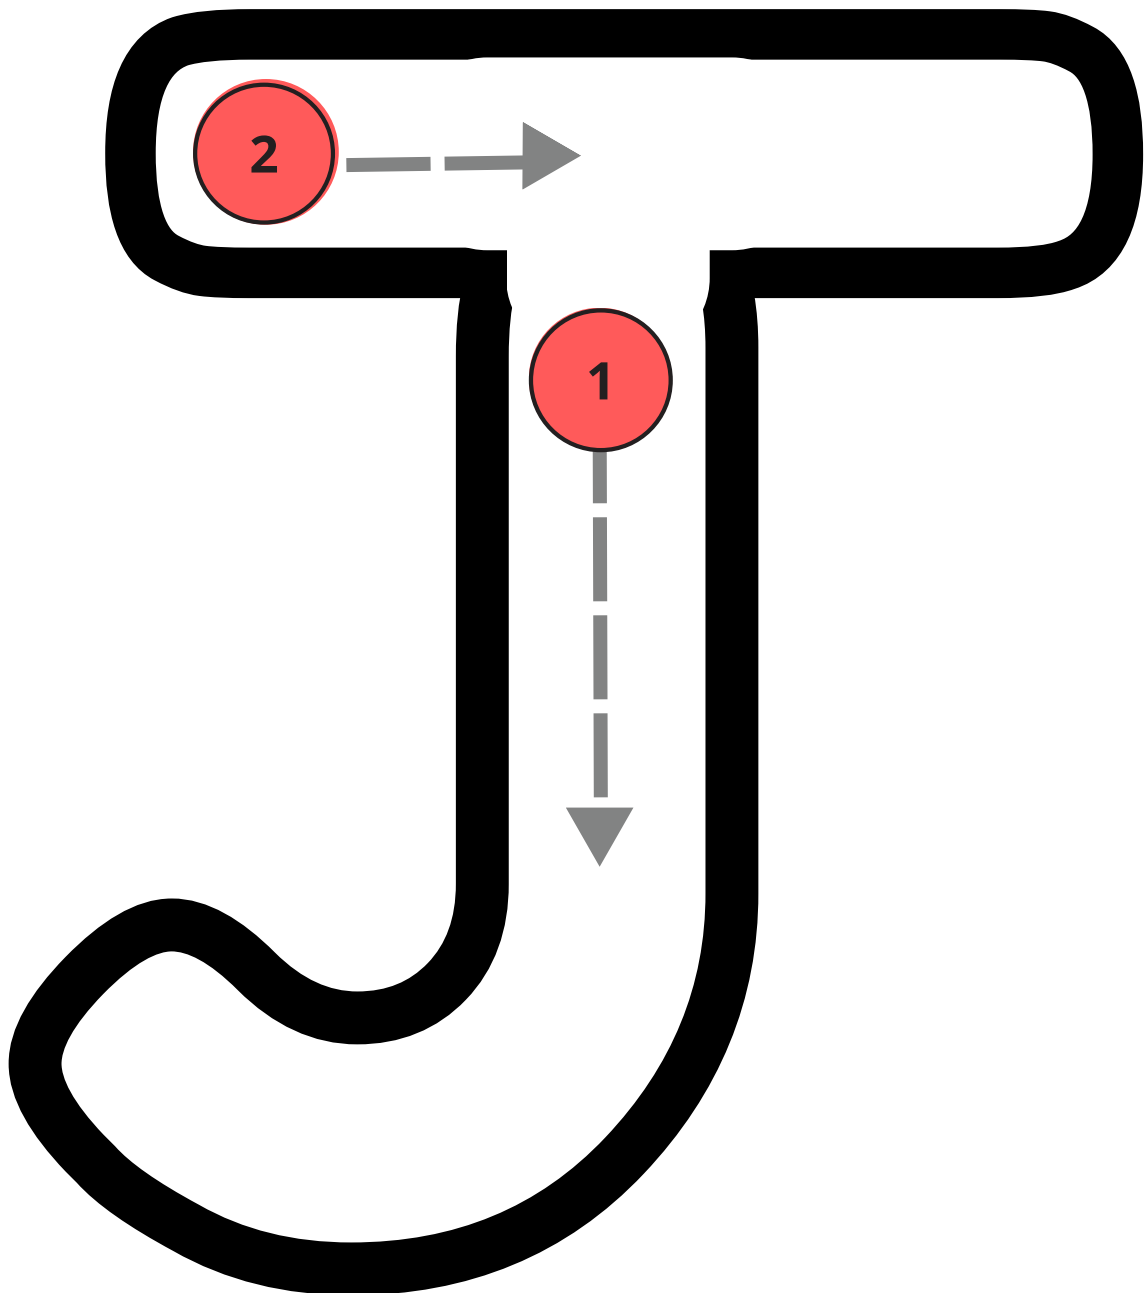

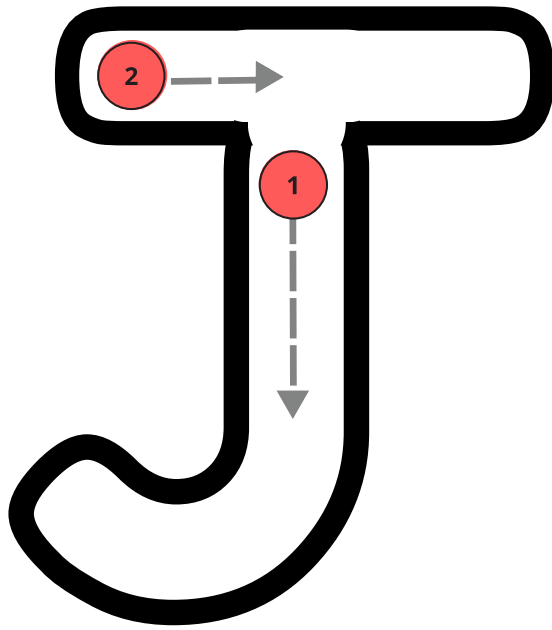

I is for Interstellar.

Trace the letter.

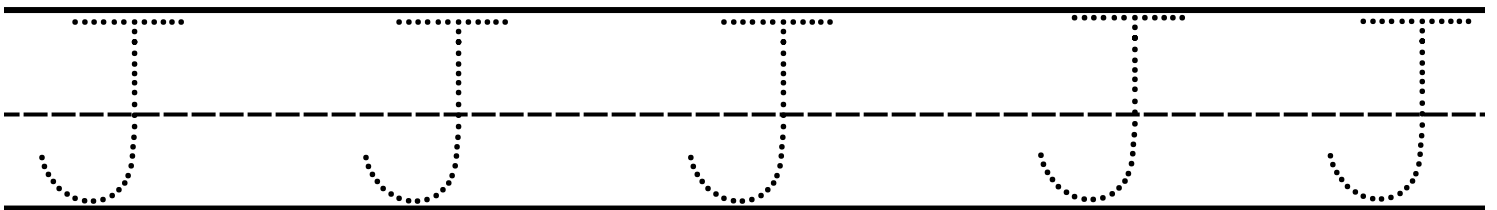

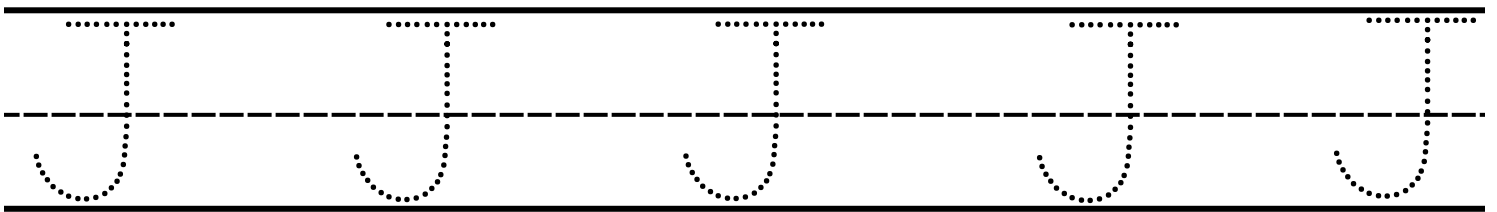

Let's trace letter J.

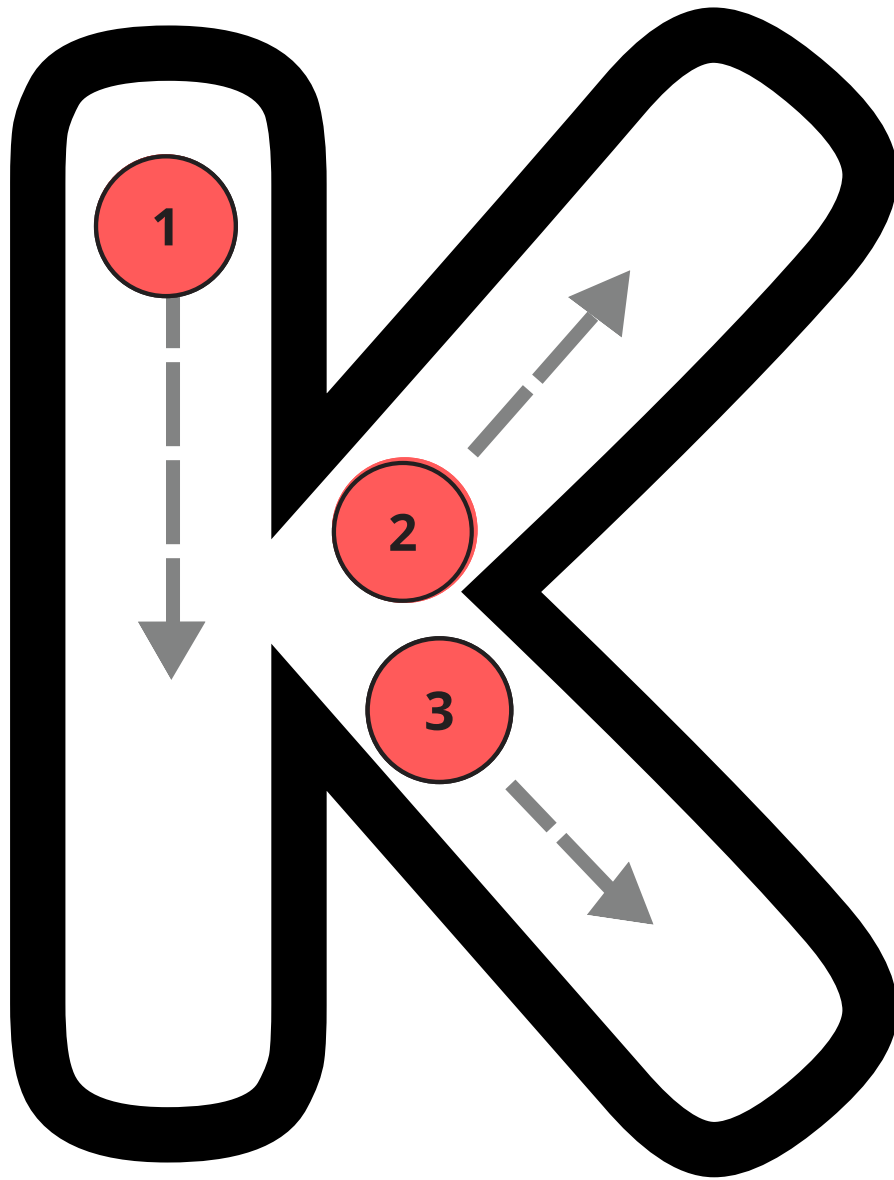

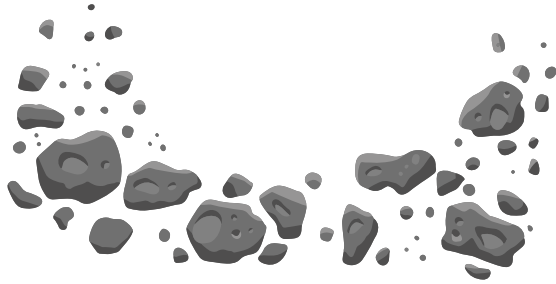

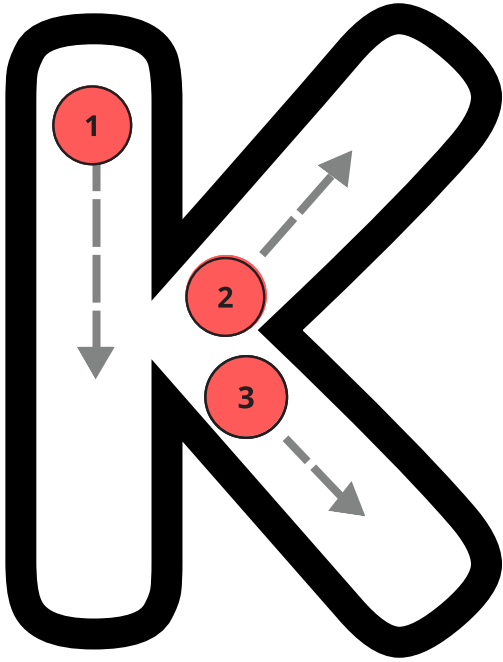

J is for Jupiter.

Trace the letter.

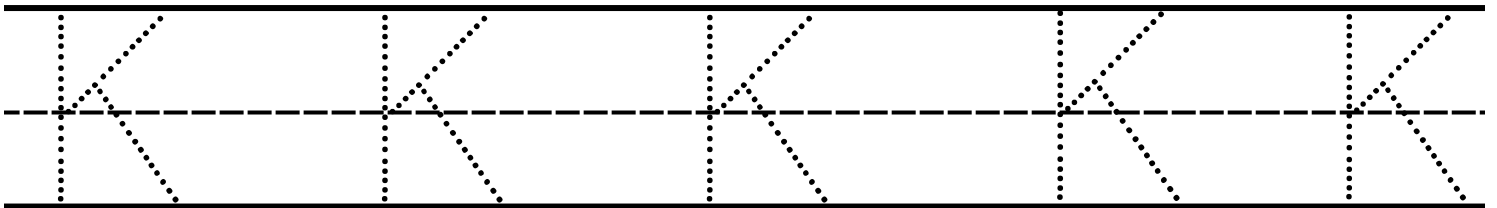

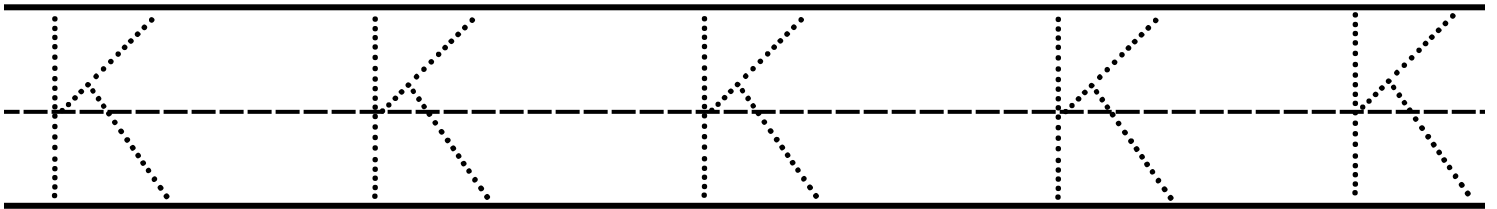

Let's trace letter K.

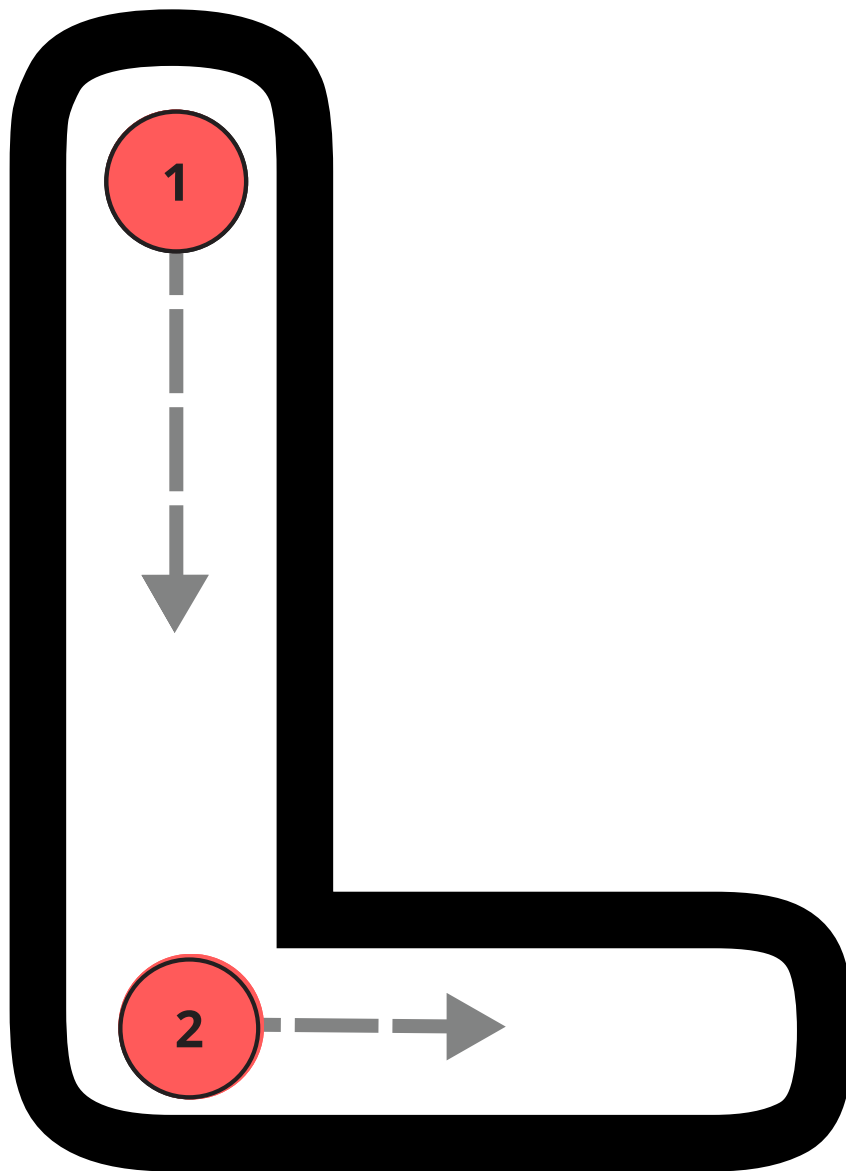

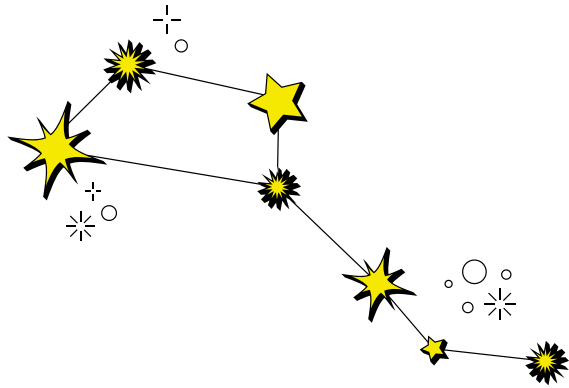

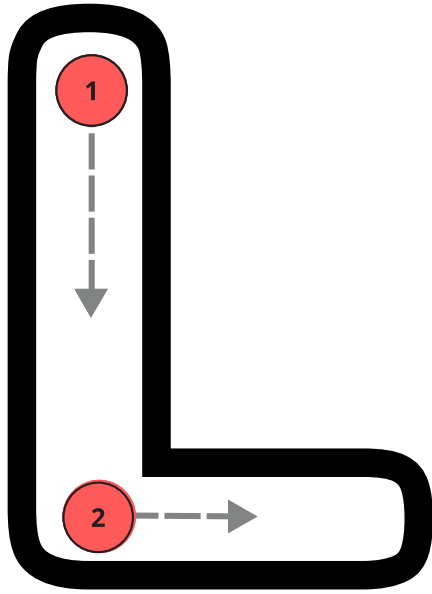

K is for Kuiper Belt.

Trace the letter.

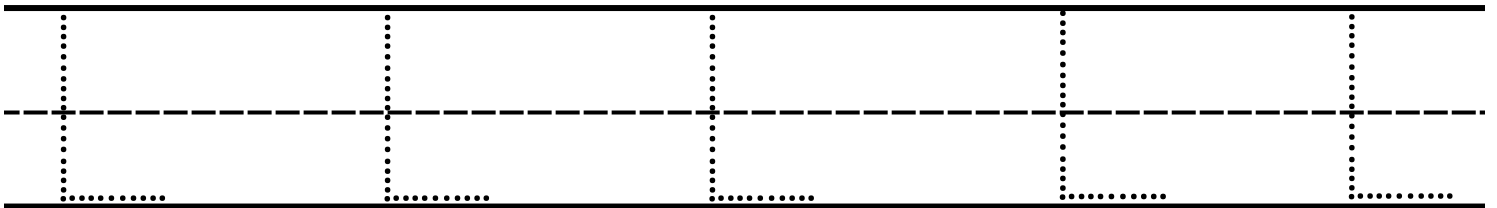

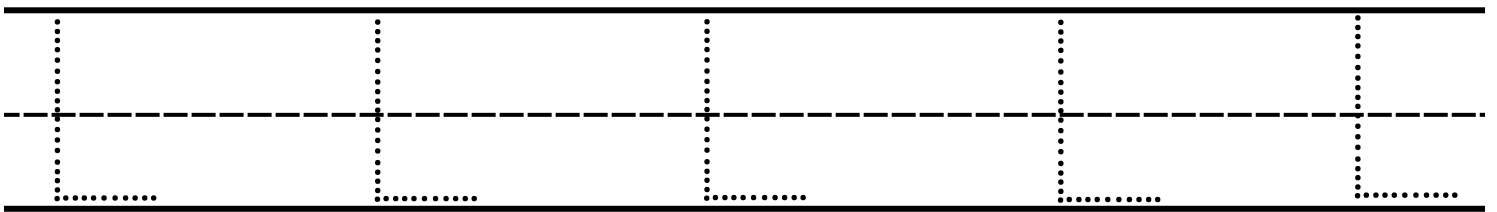

Let's trace letter L.

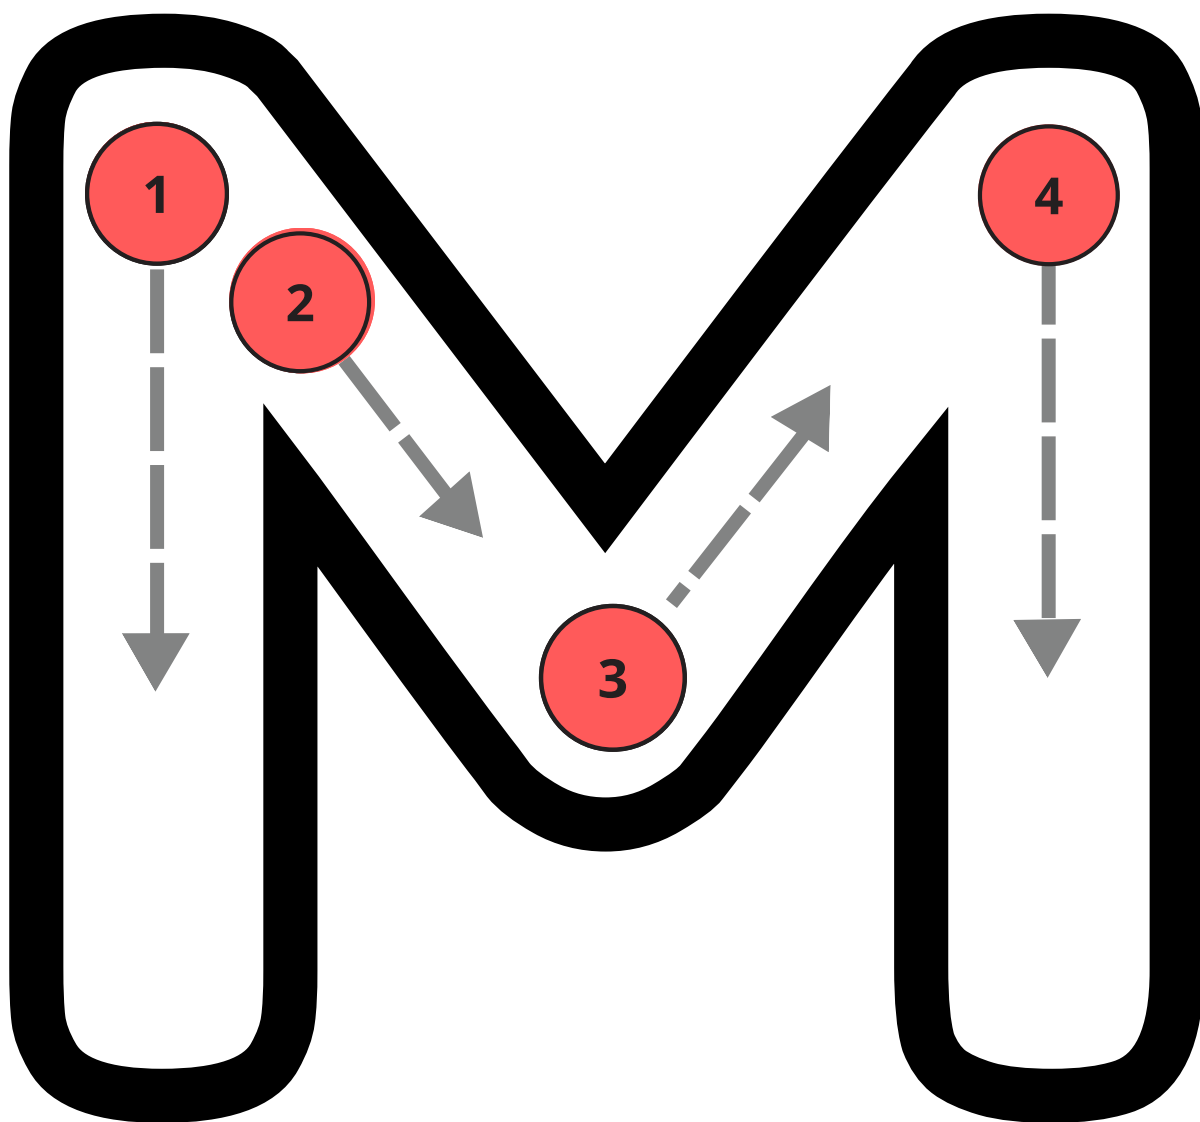

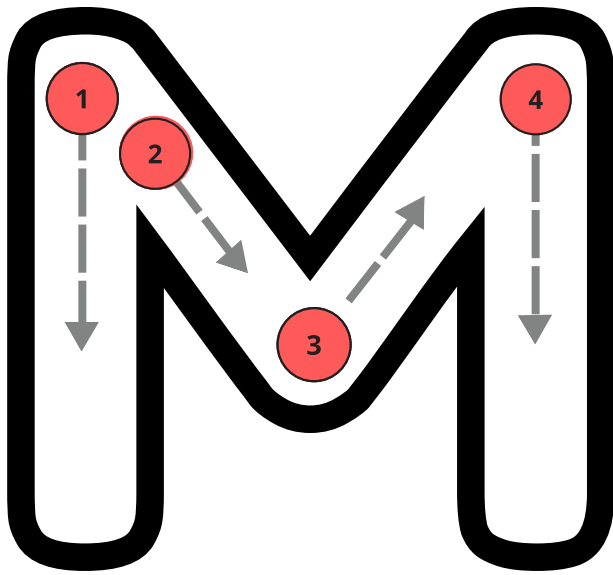

L is for Little Dipper.

Trace the letter.

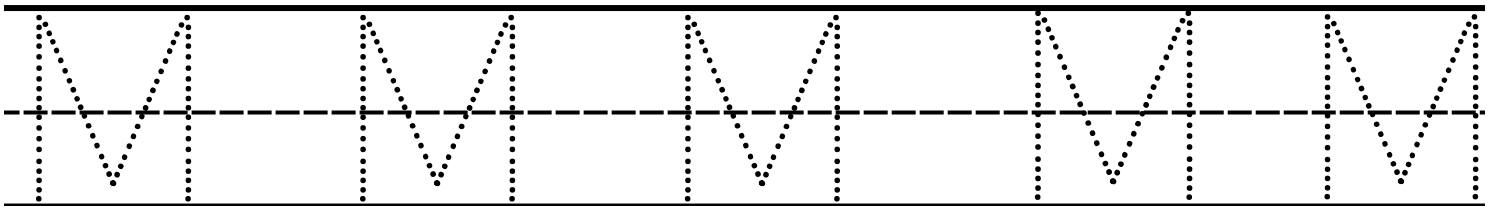

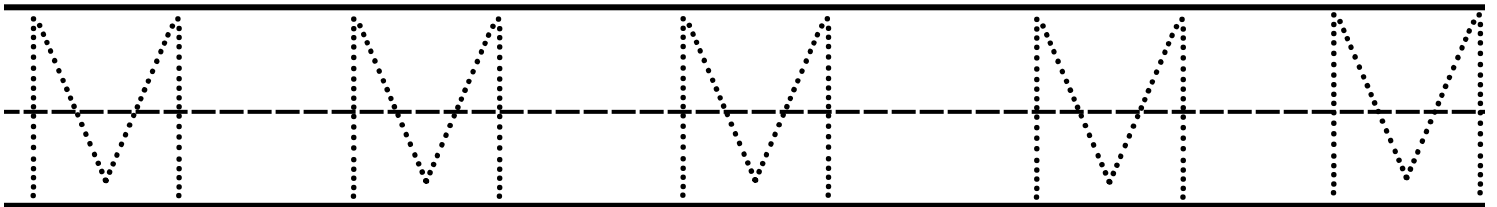

Let's trace letter M.

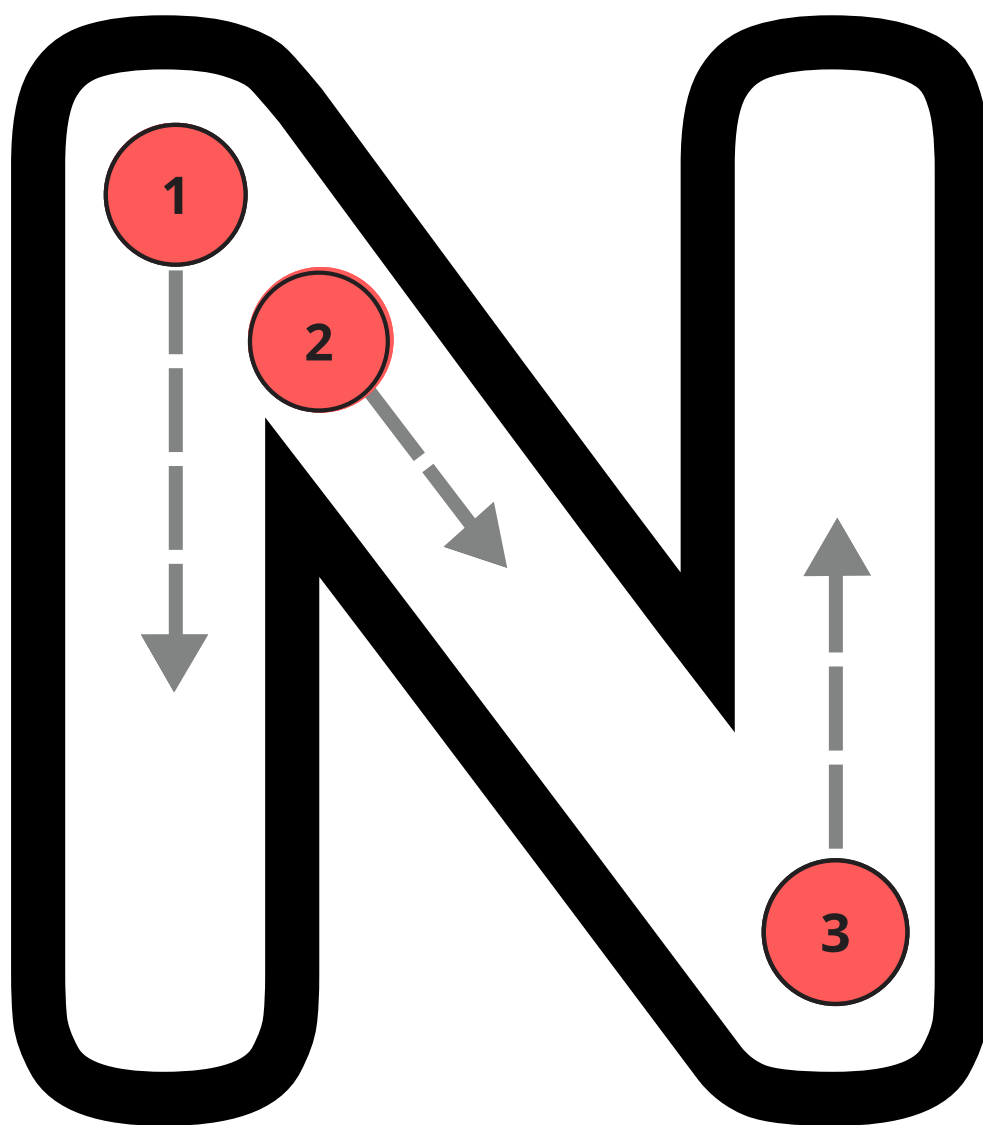

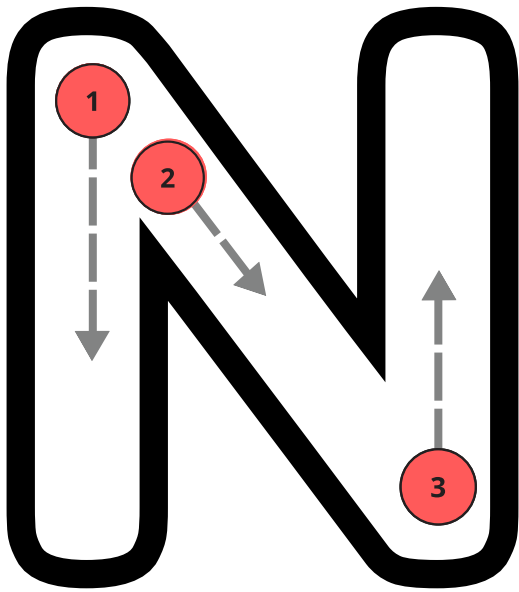

M is for Mars.

Trace the letter.

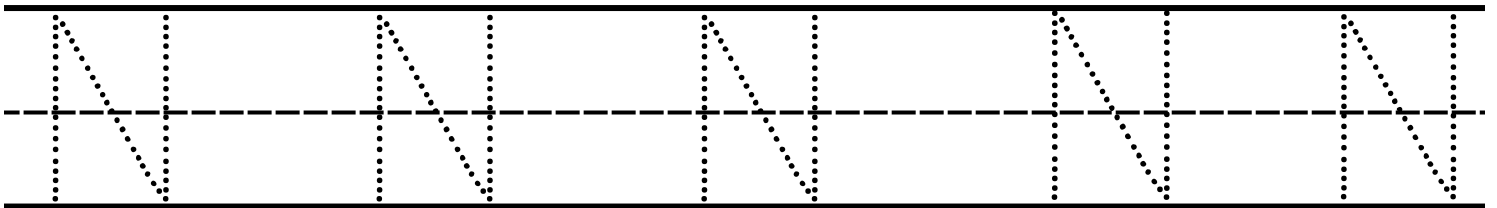

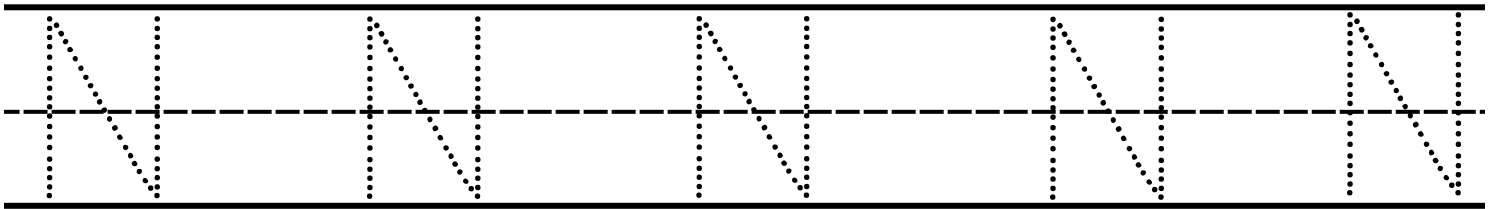

Let's trace letter N.

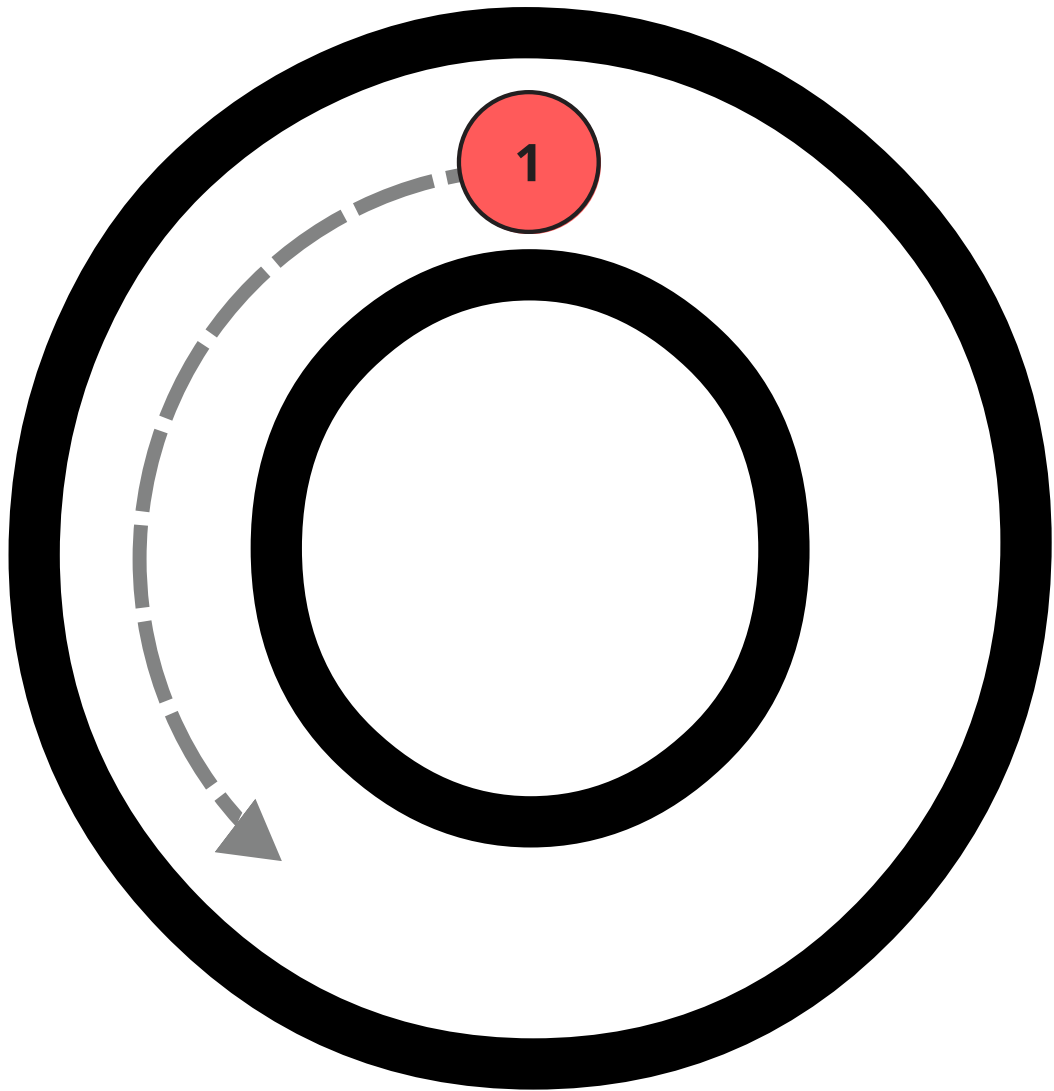

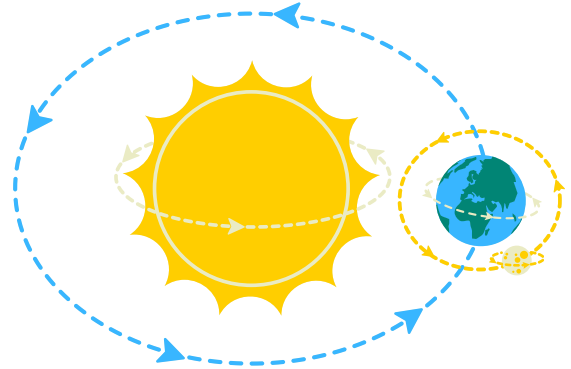

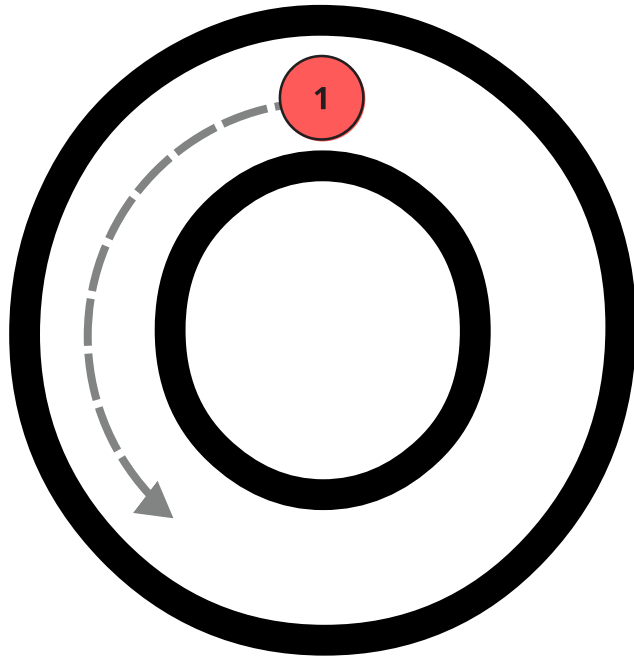

N is for Neptune.

Trace the letter.

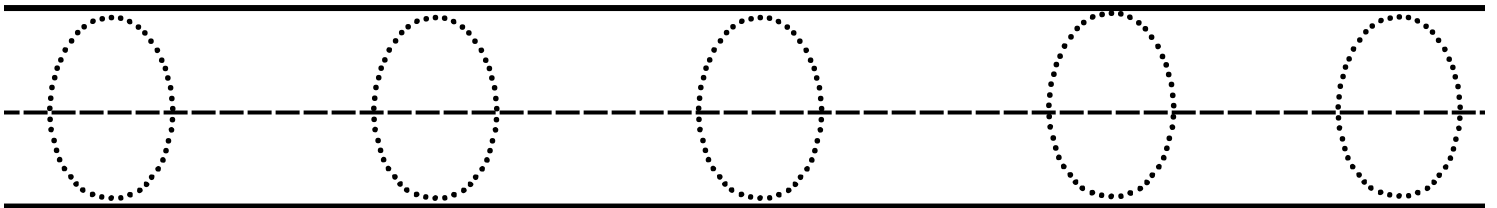

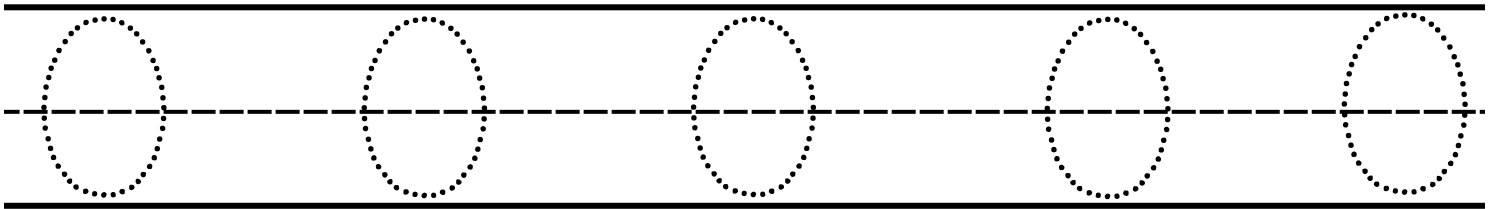

Let's trace letter O.

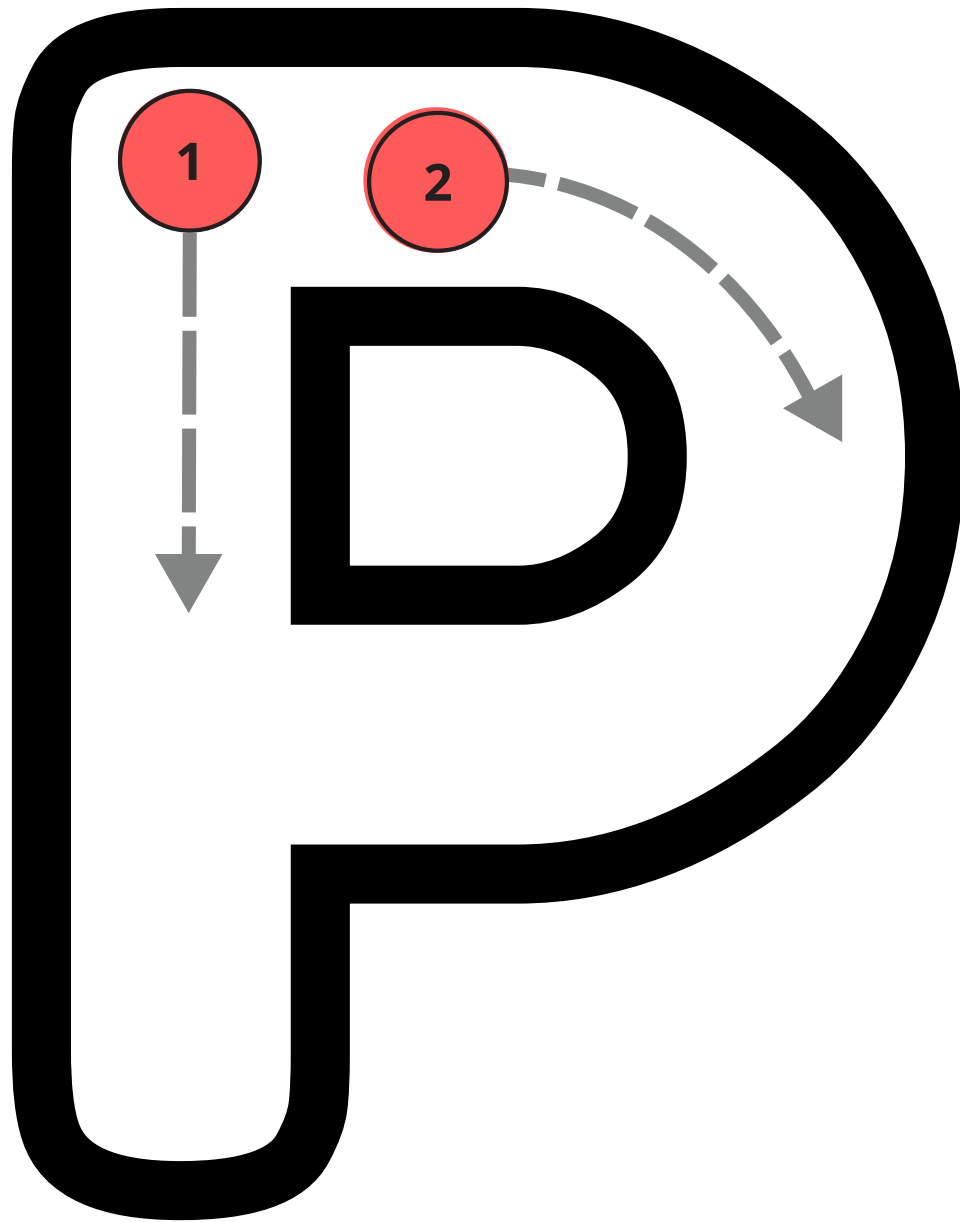

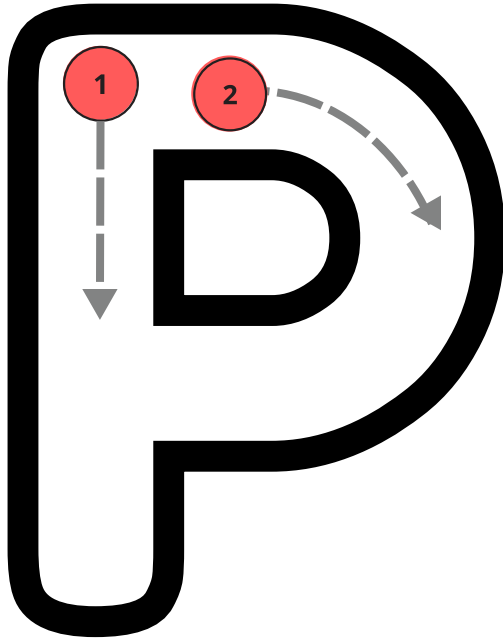

O is for Orbit.

Trace the letter.

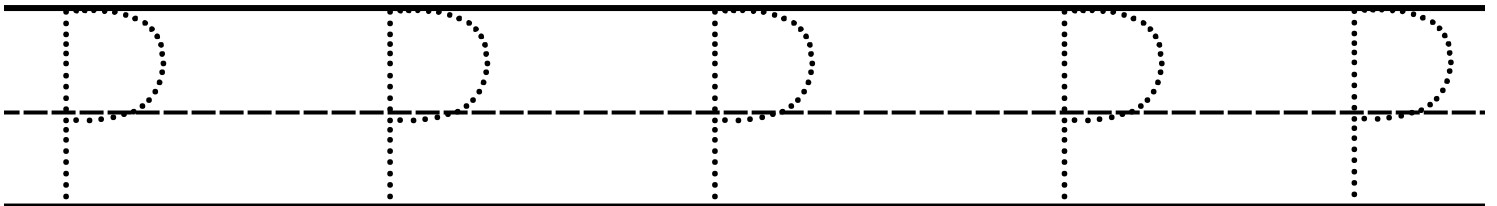

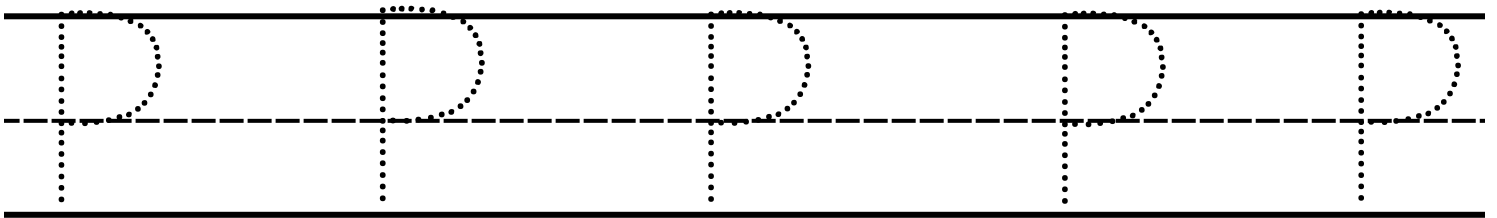

Let's trace letter P.

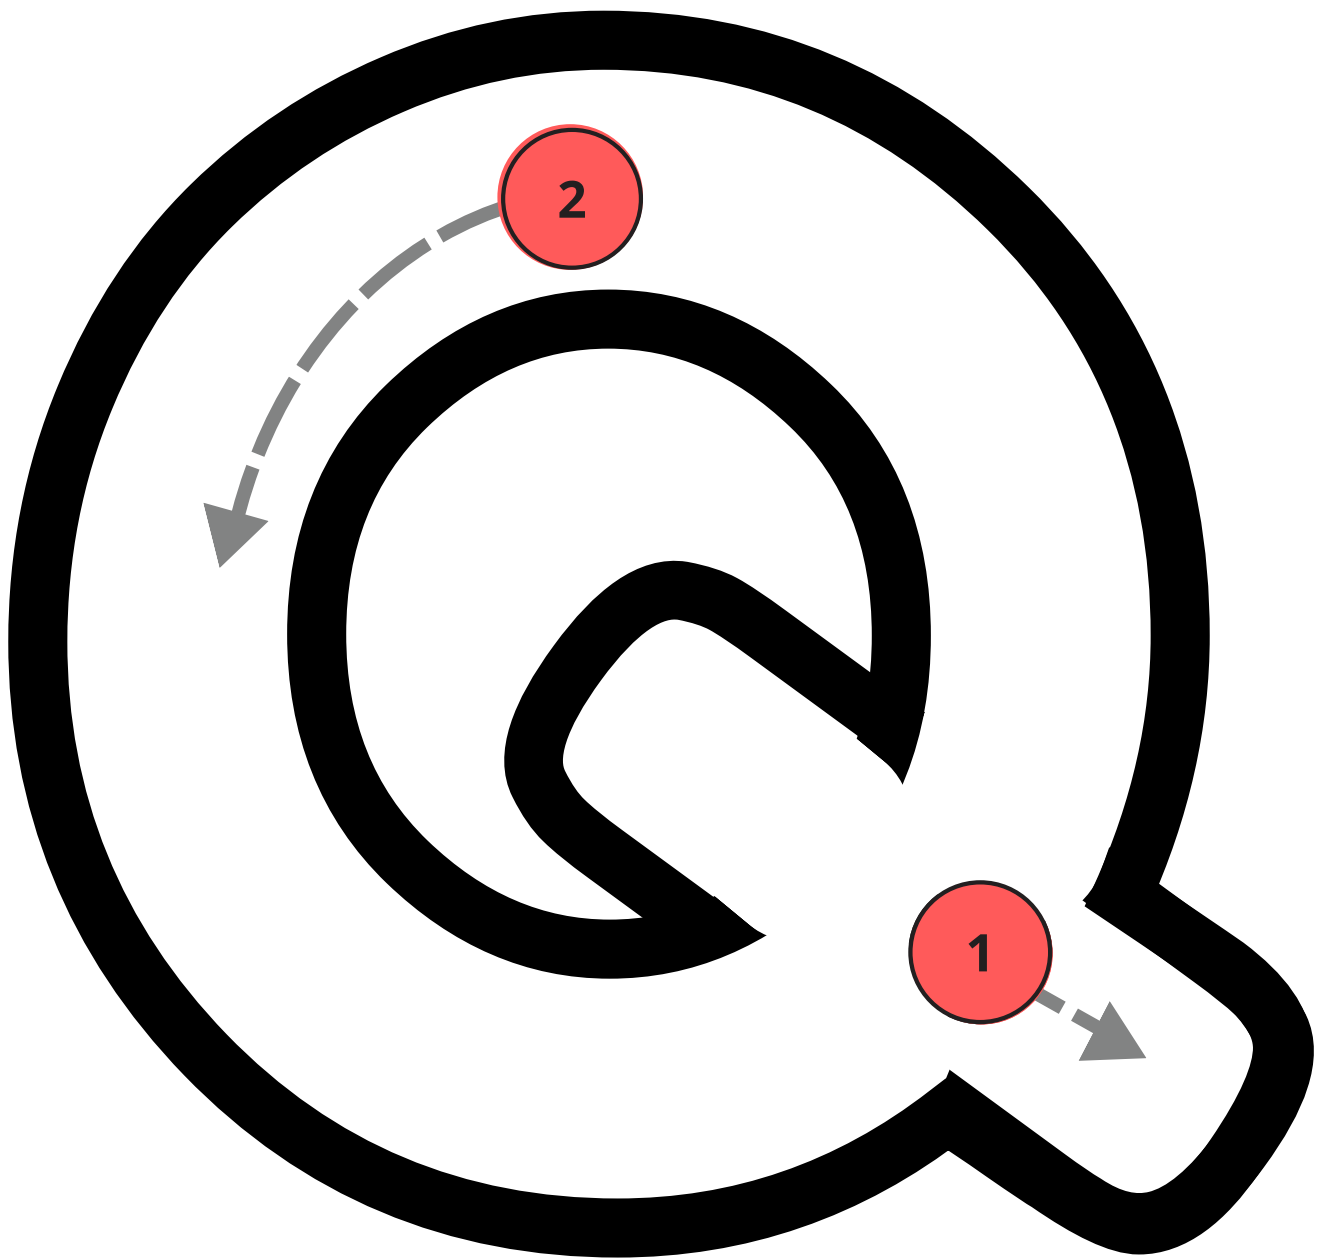

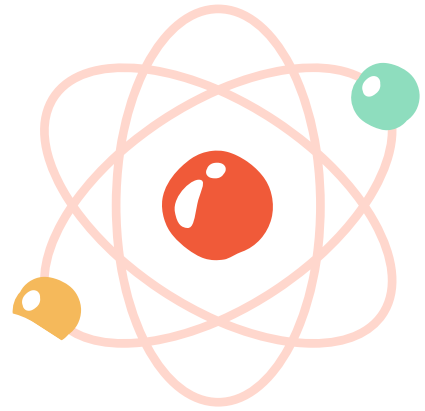

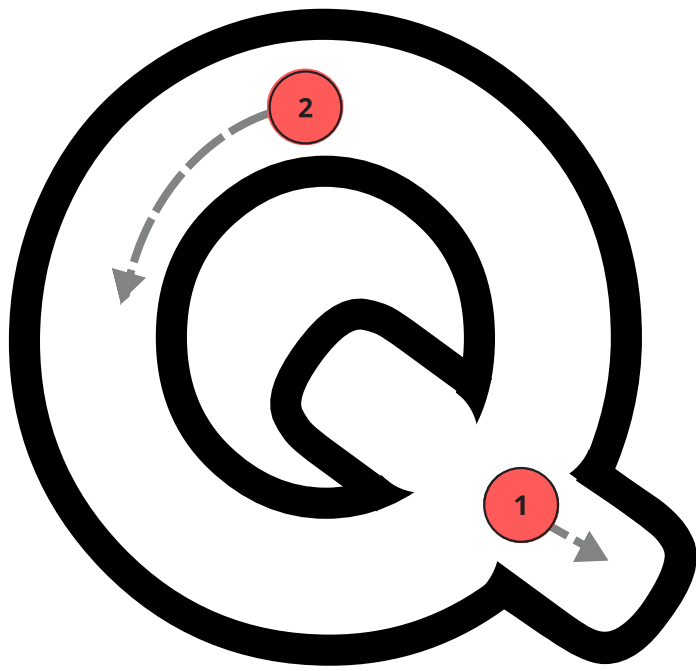

P is for Pluto.

Trace the letter.

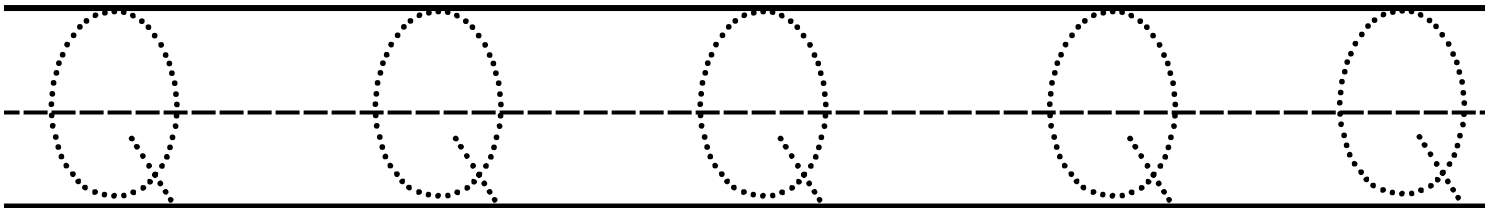

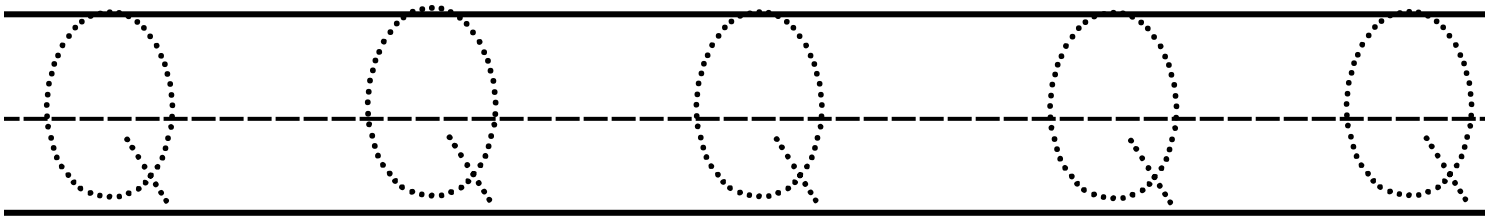

Let's trace letter Q.

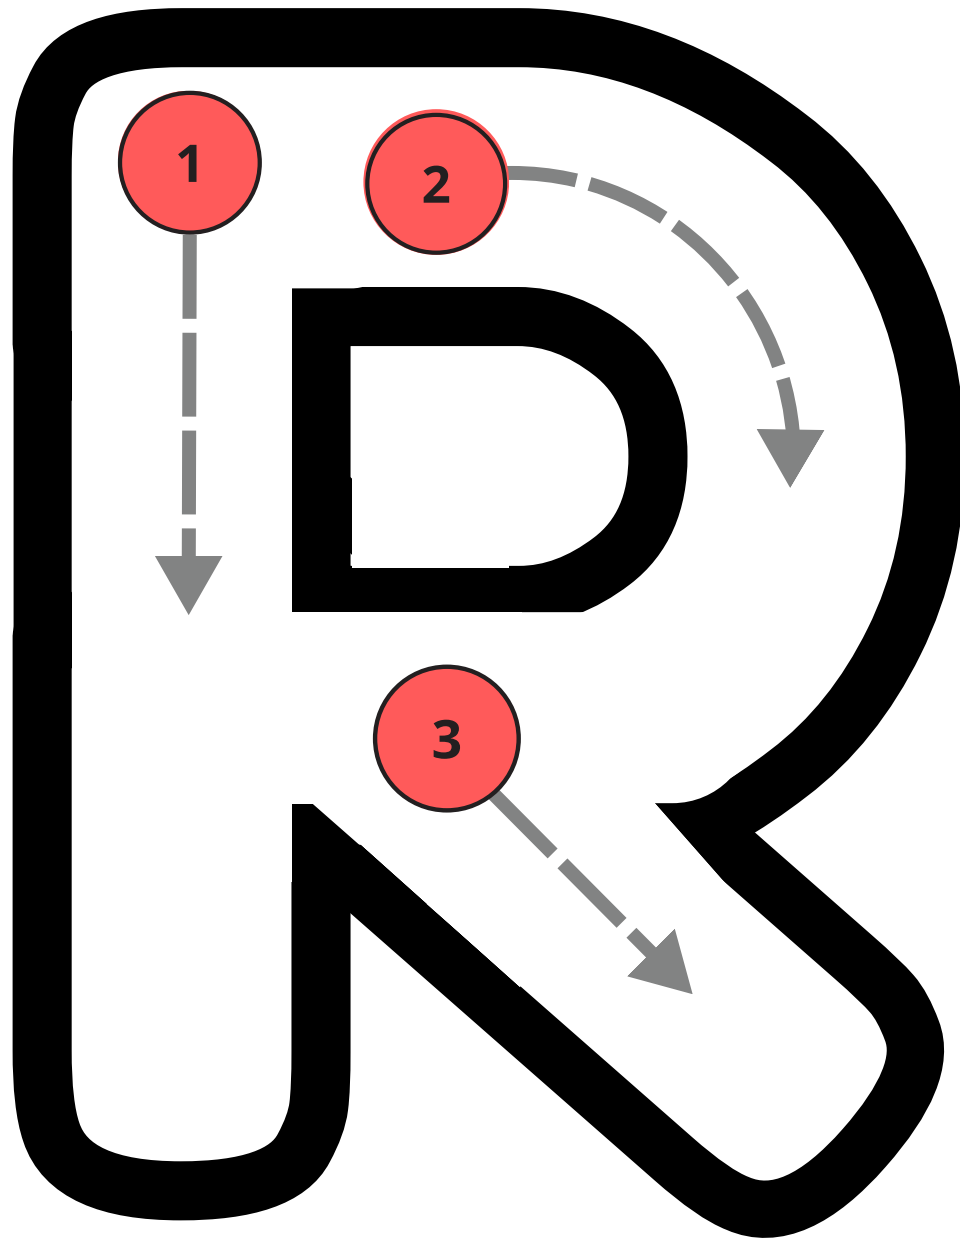

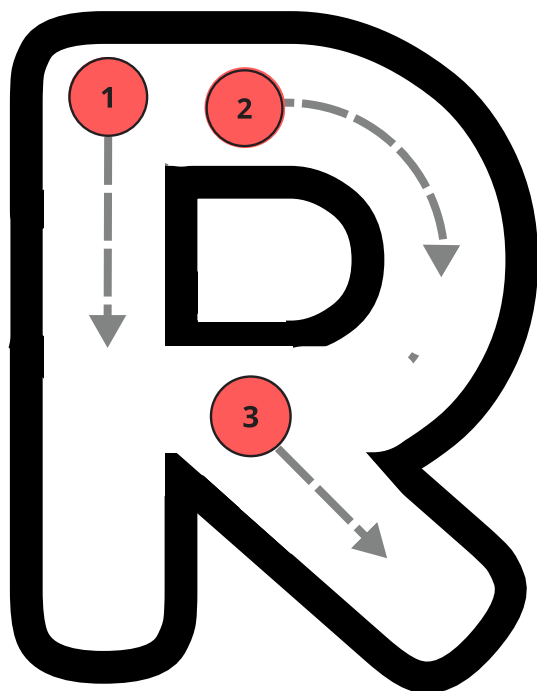

Q is for Quantum.

Trace the letter.

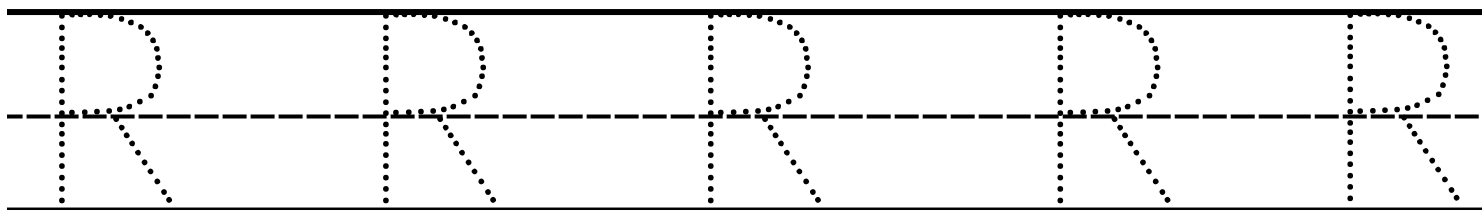

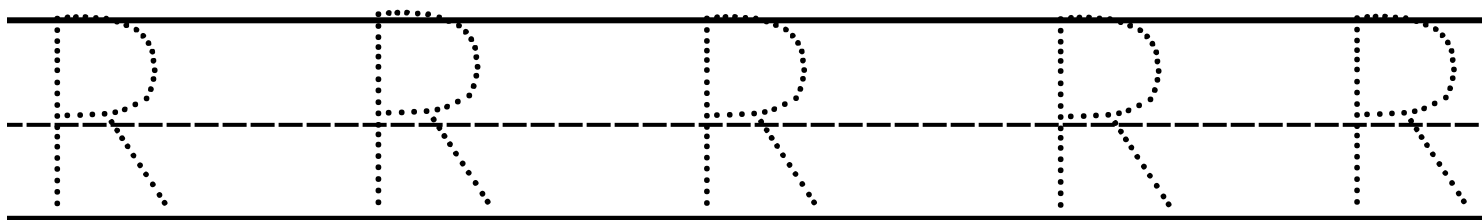

Let's trace letter R.

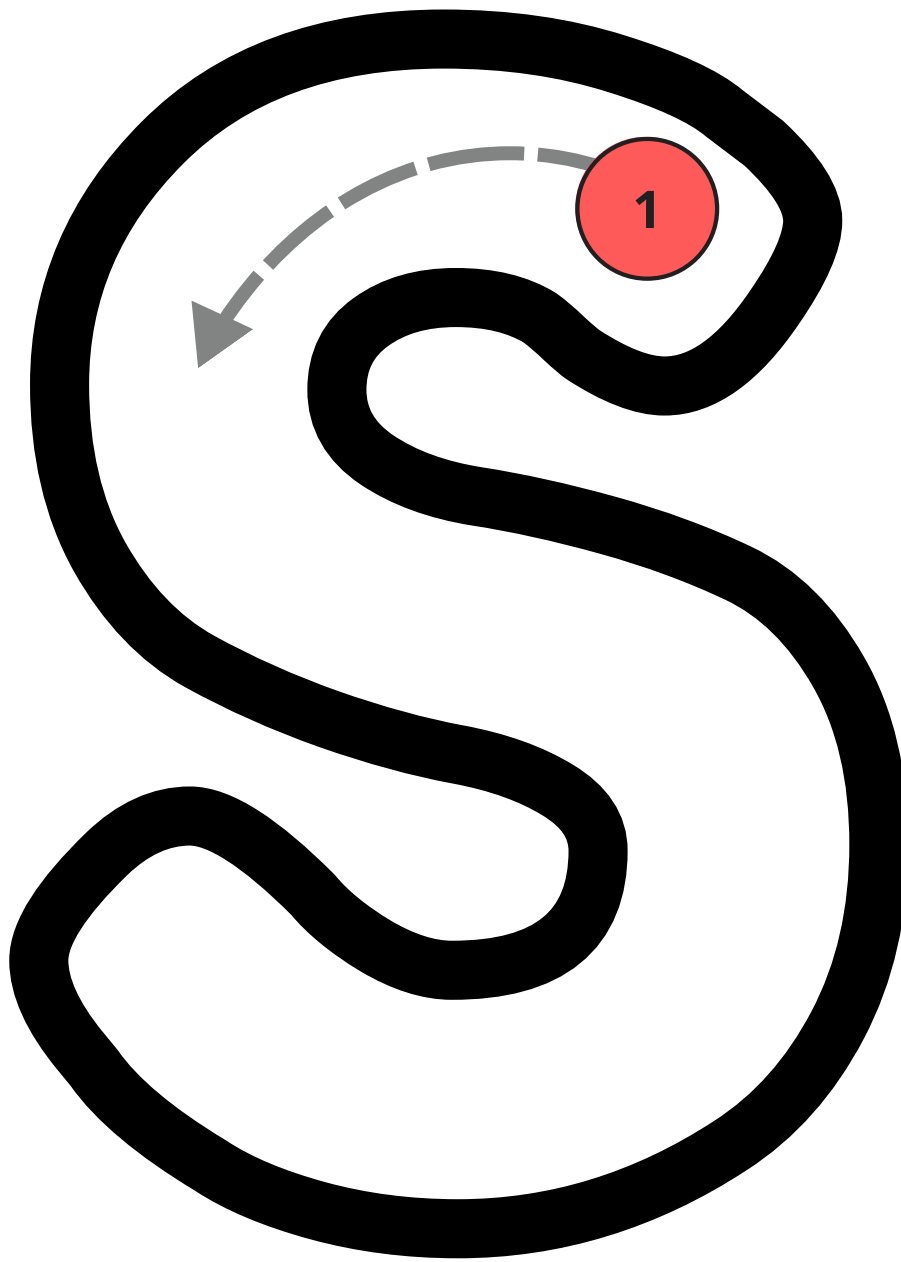

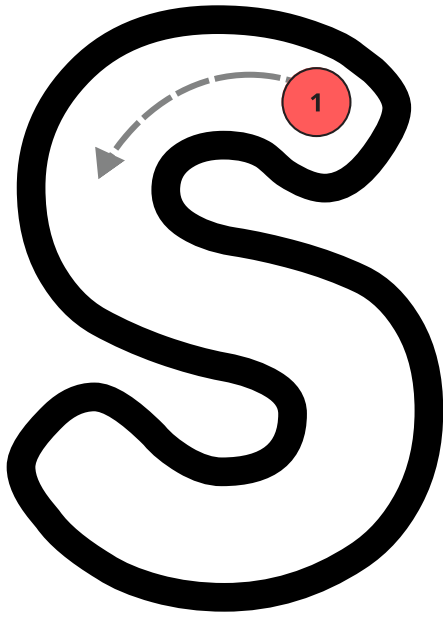

R is for Rocket.

Trace the letter.

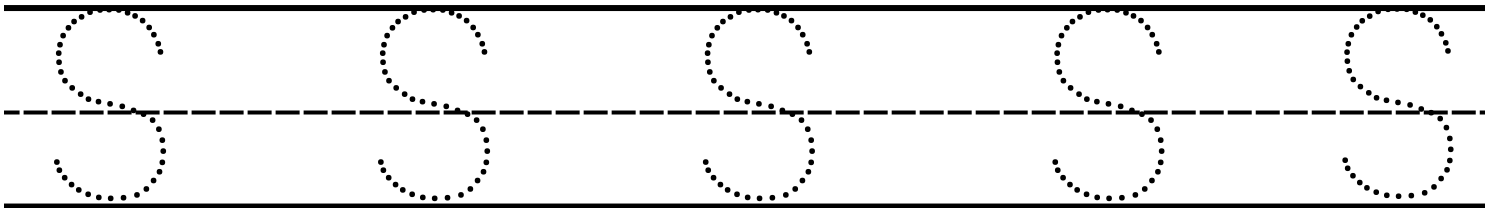

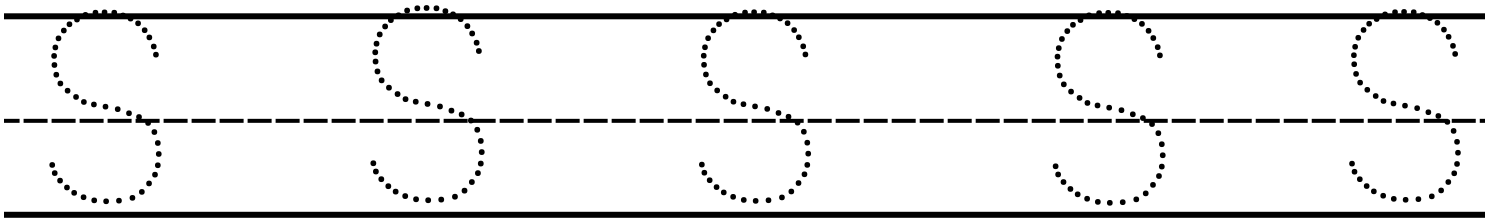

Let's trace letter S.

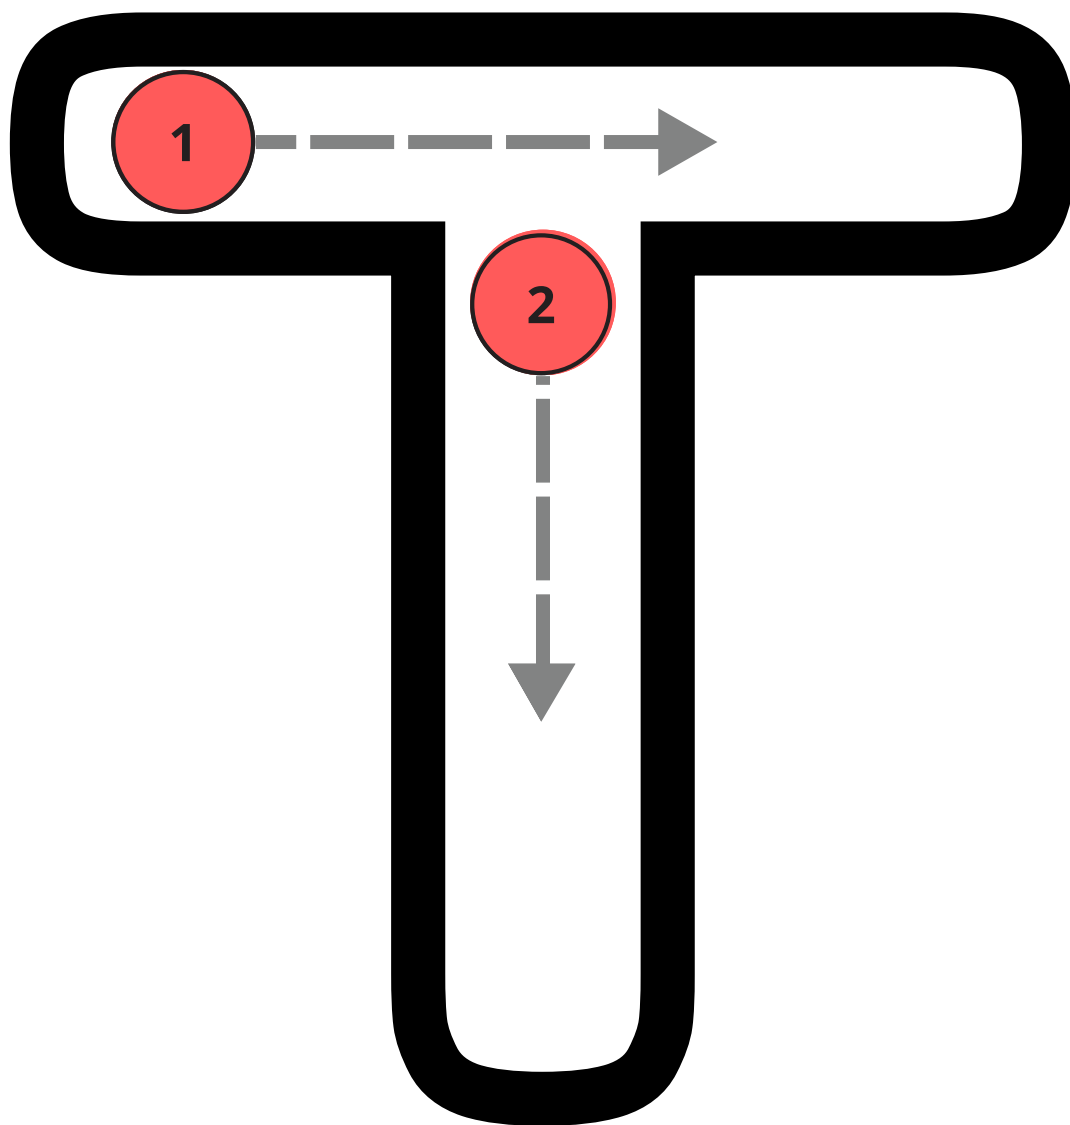

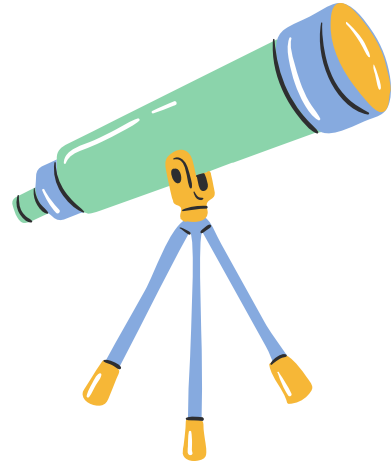

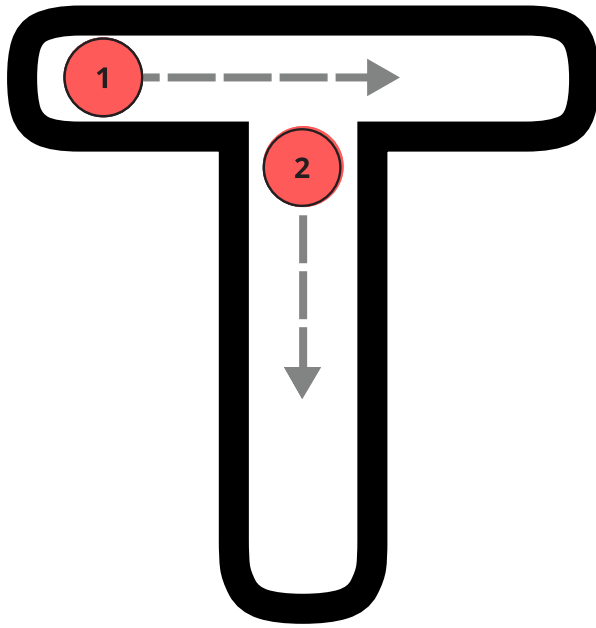

S is for Saturn.

Trace the letter.

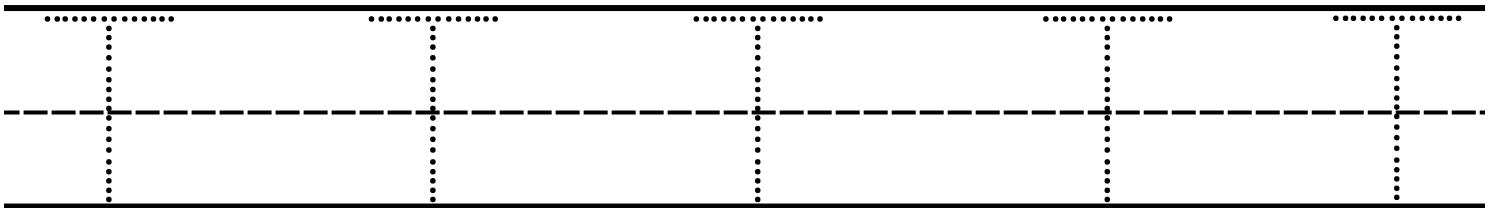

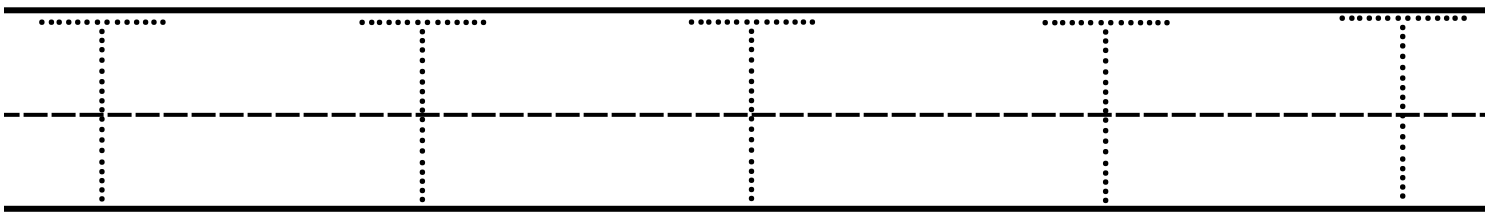

Let's trace letter T.

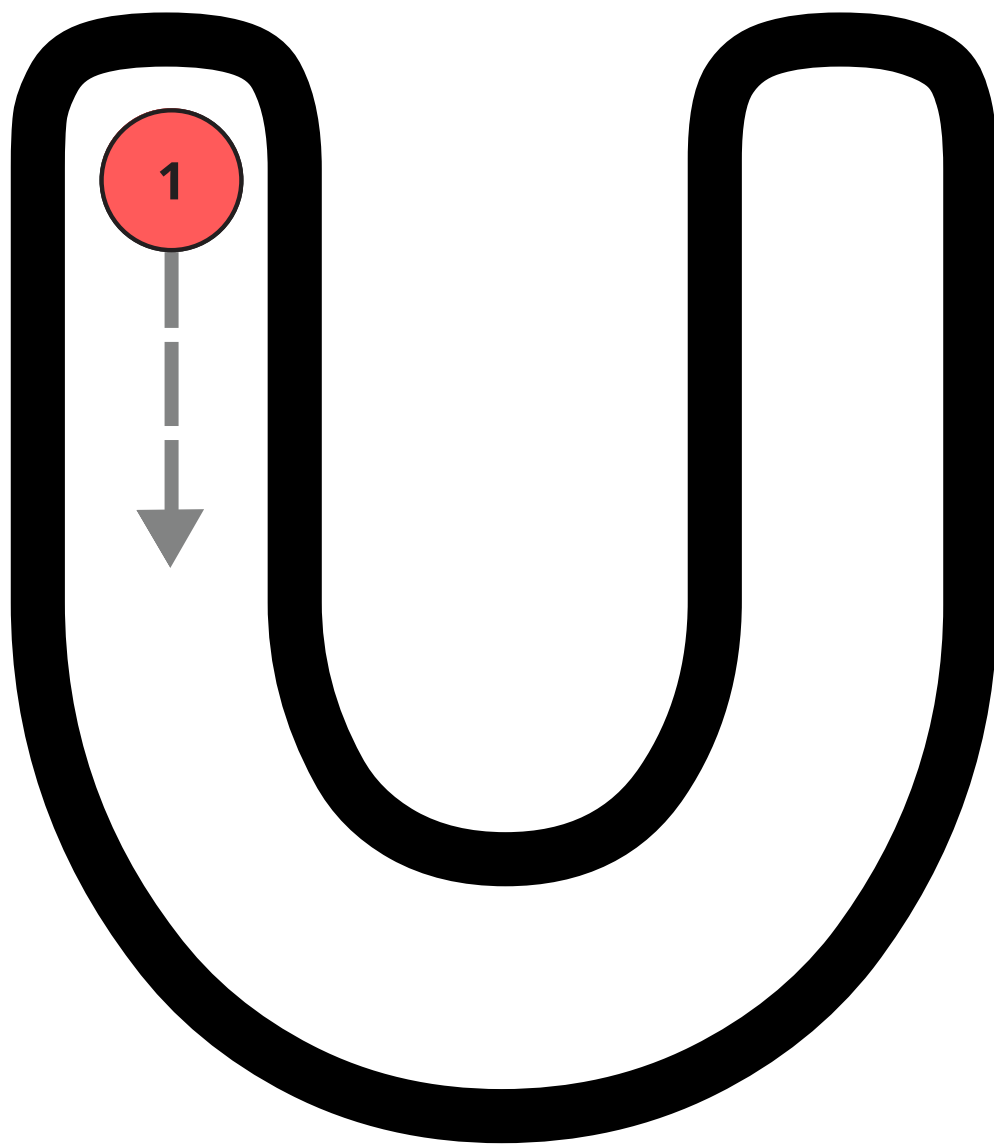

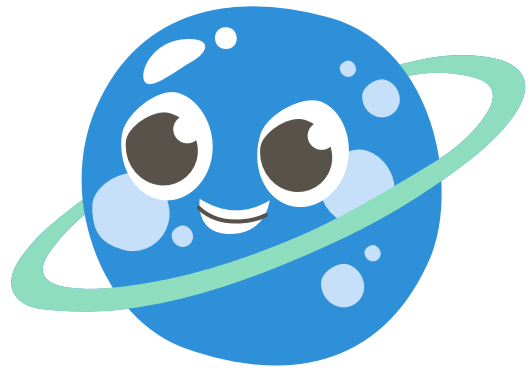

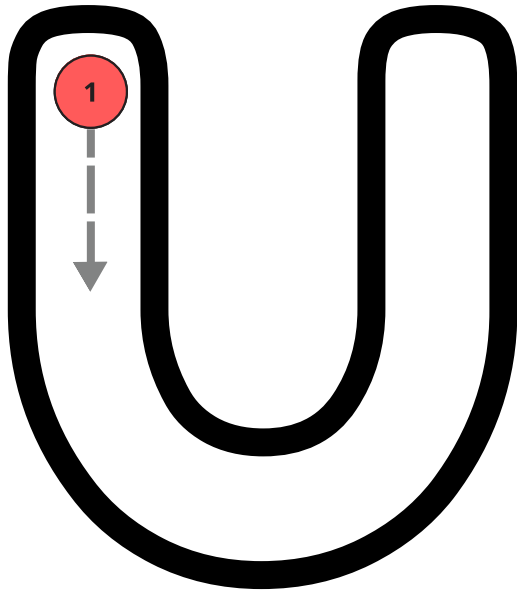

T is for Telescope.

Trace the letter.

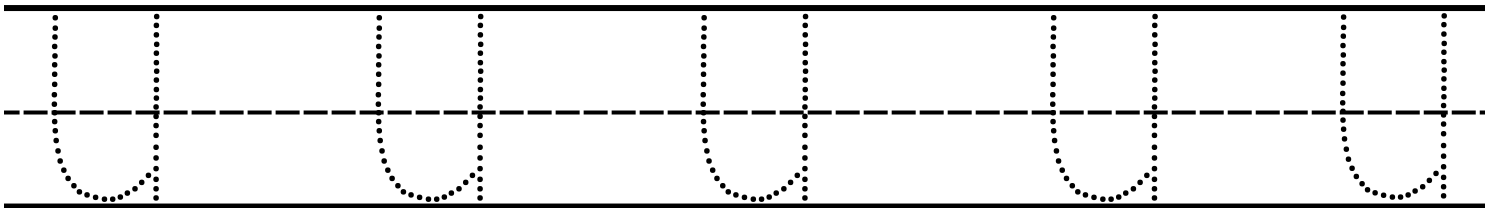

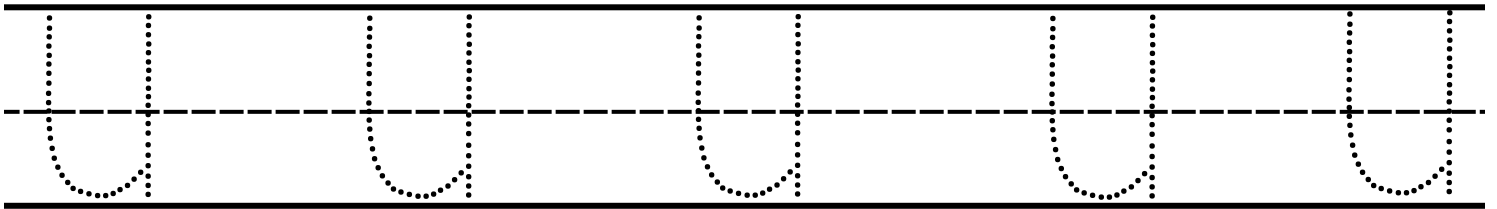

Let's trace letter U.

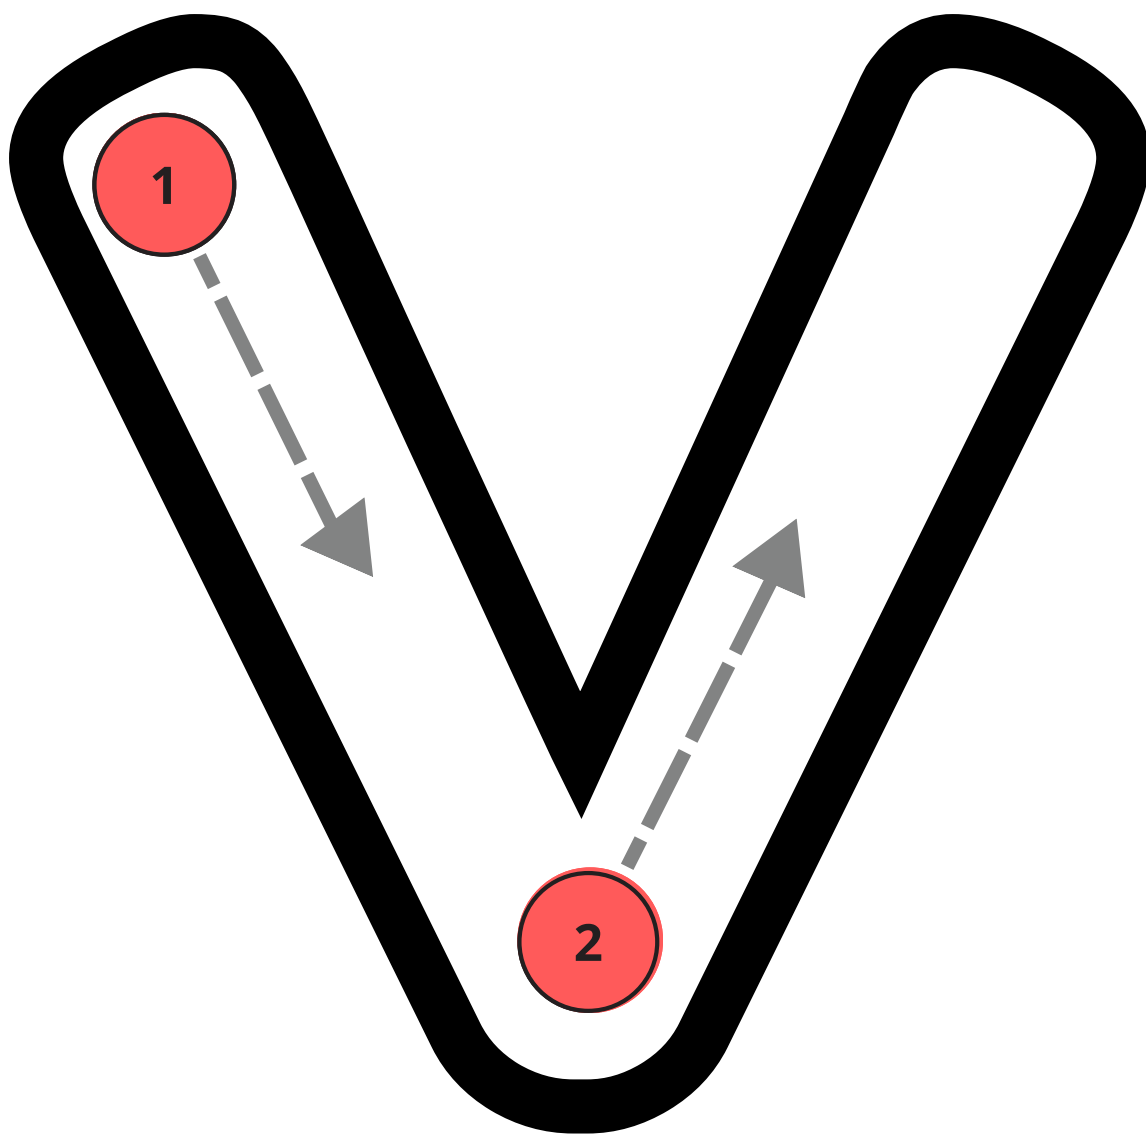

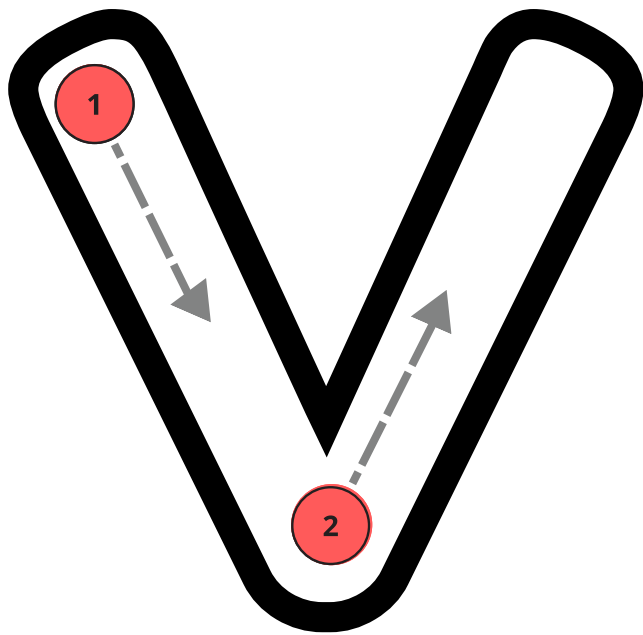

U is for Uranus.

Trace the letter.

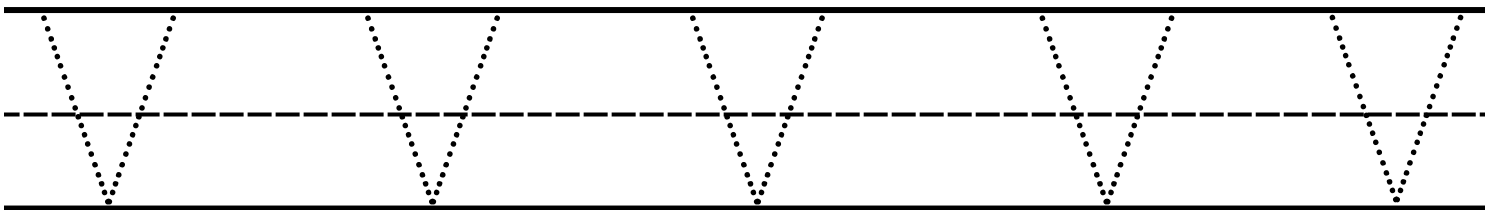

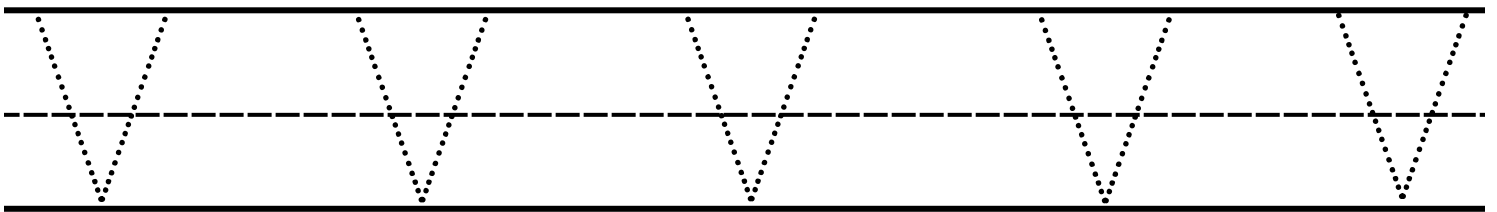

Let's trace letter V.

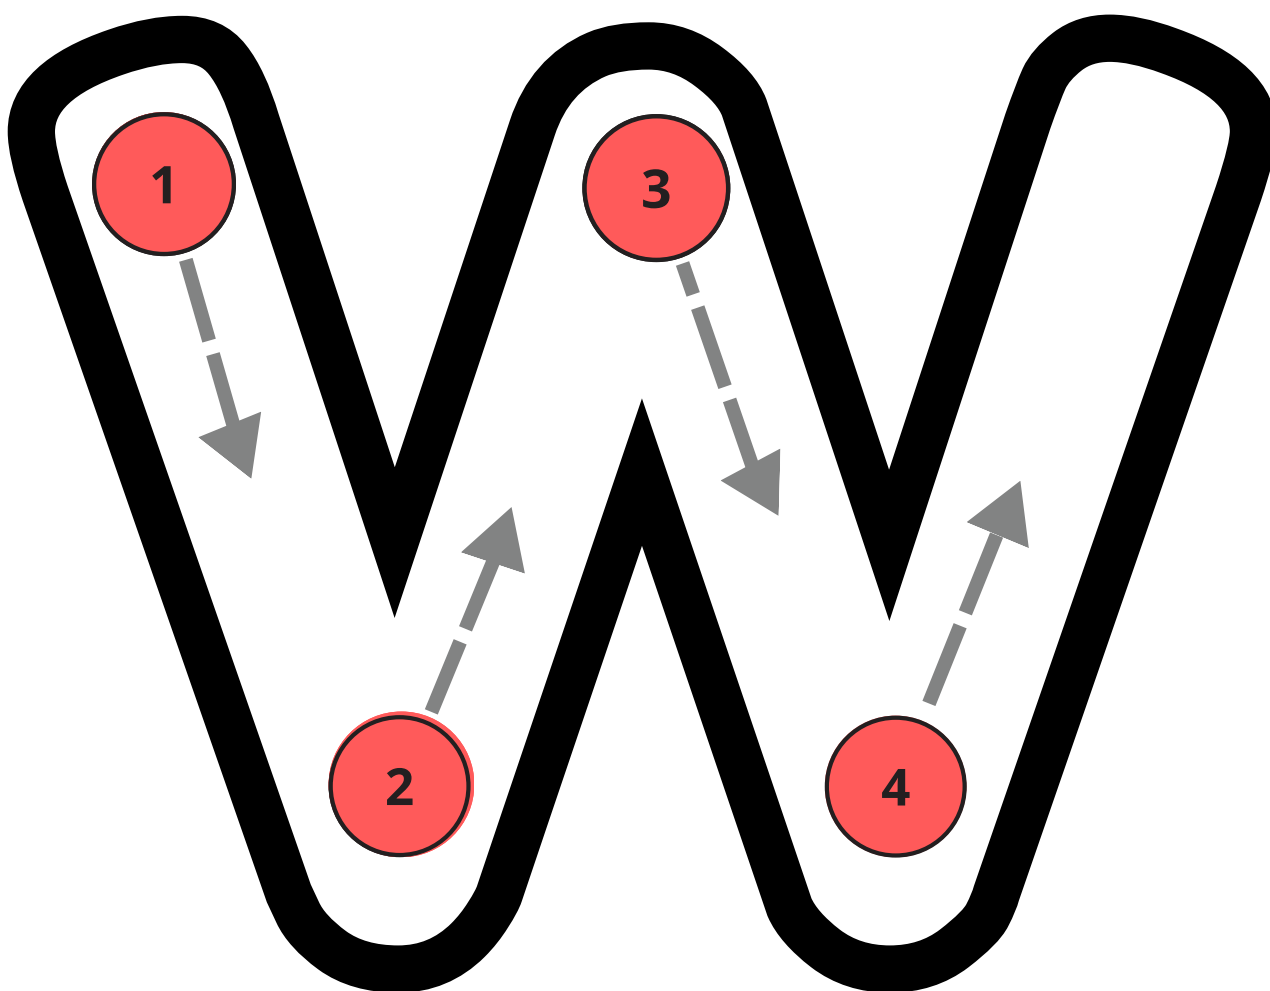

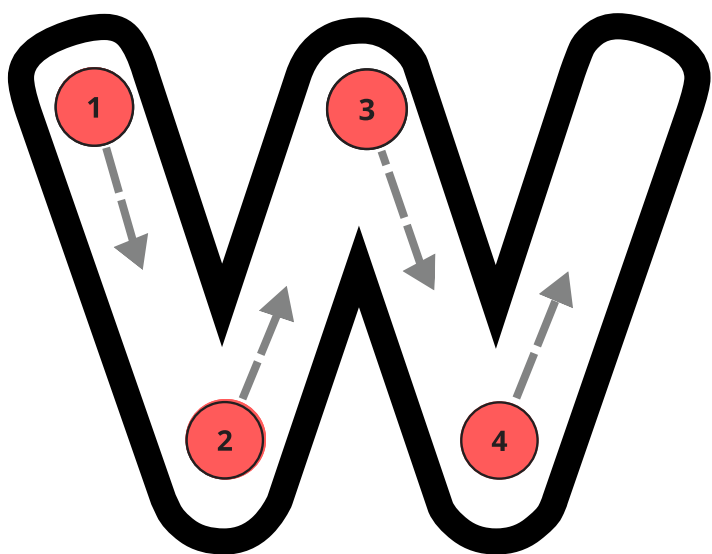

V is for Venus.

Trace the letter.

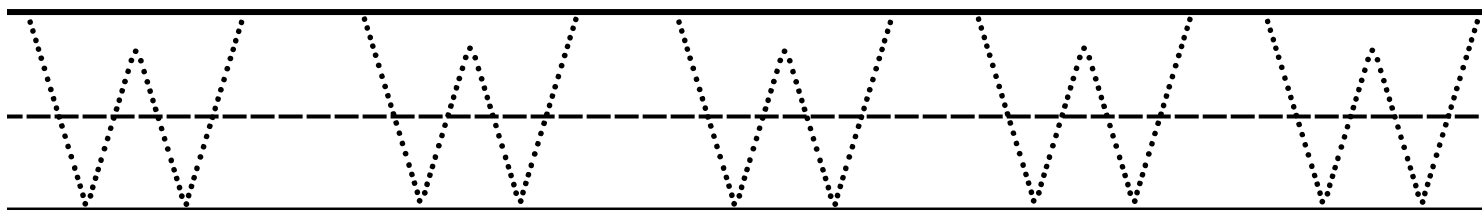

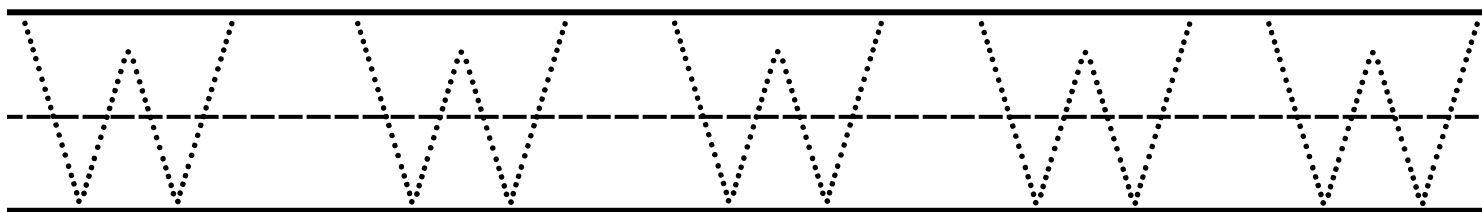

Let's trace letter W.

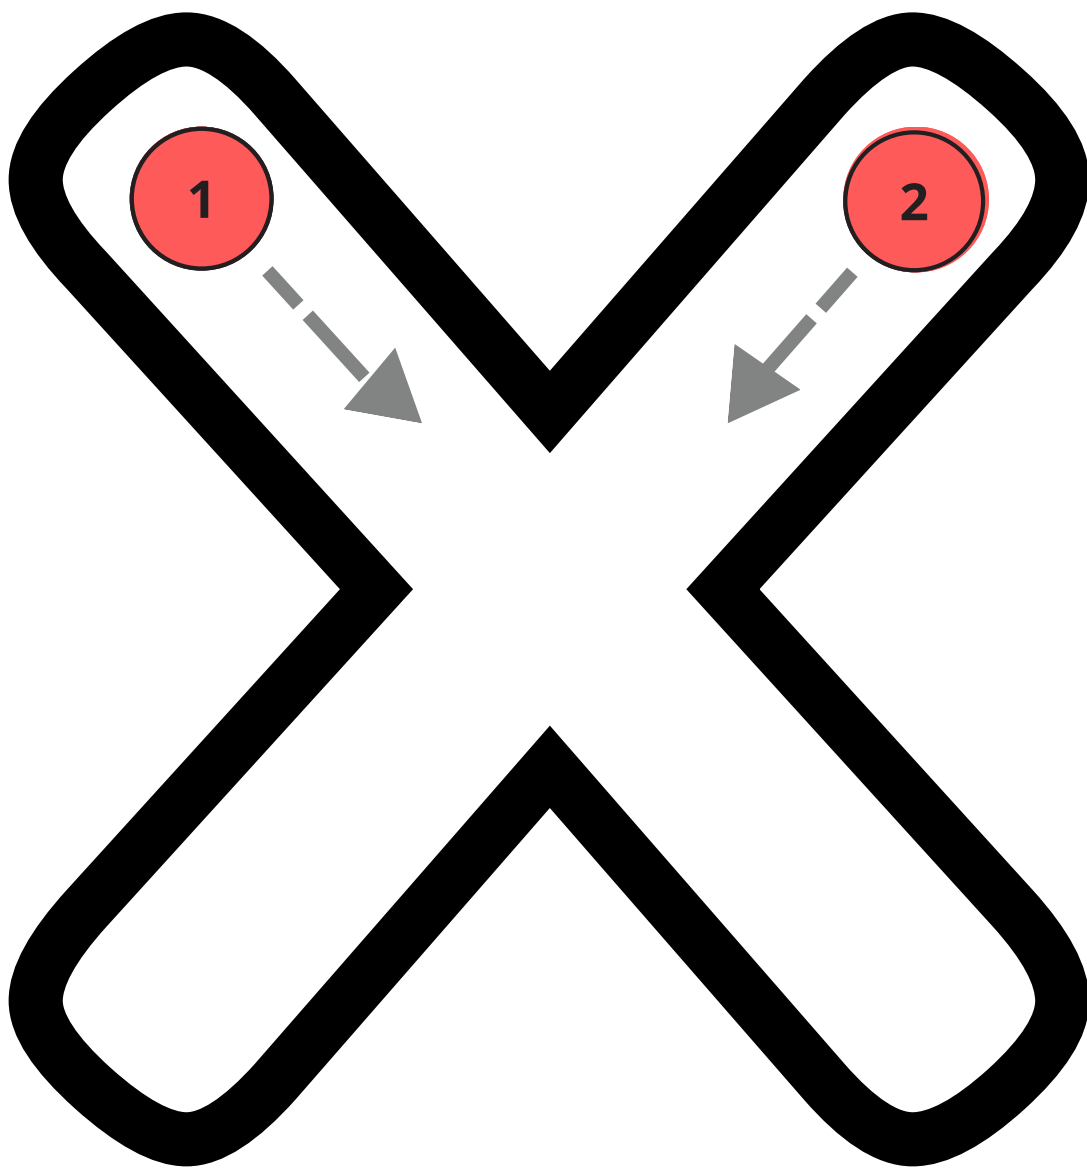

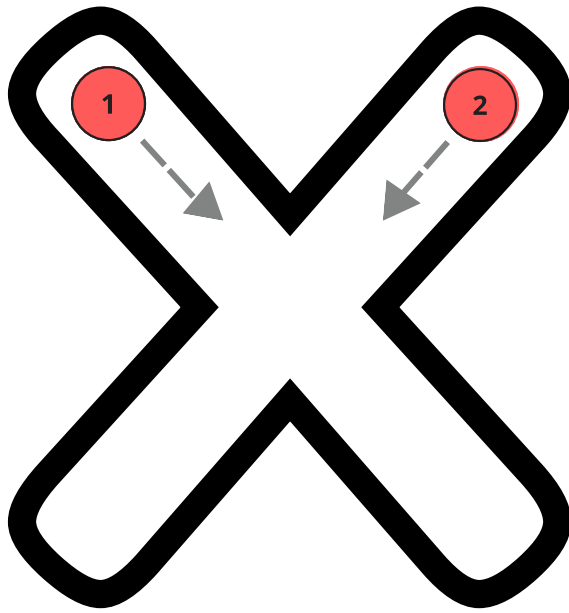

W is for White Dwarf Star.

Trace the letter.

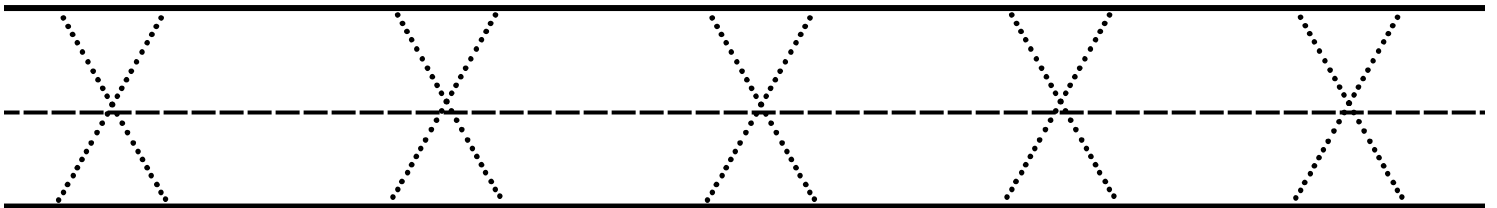

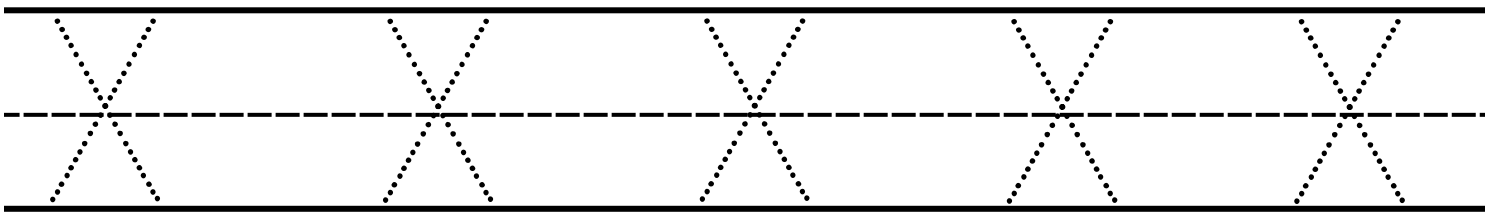

Let's trace letter X.

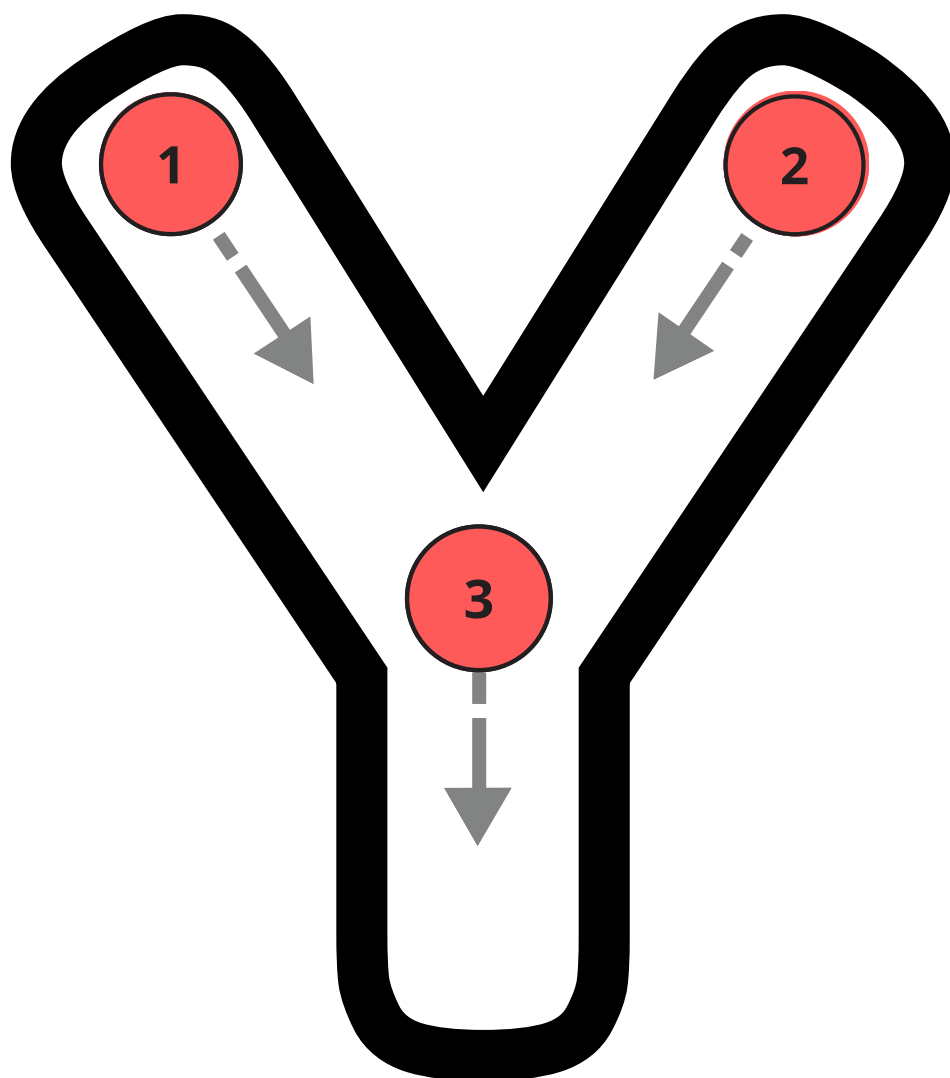

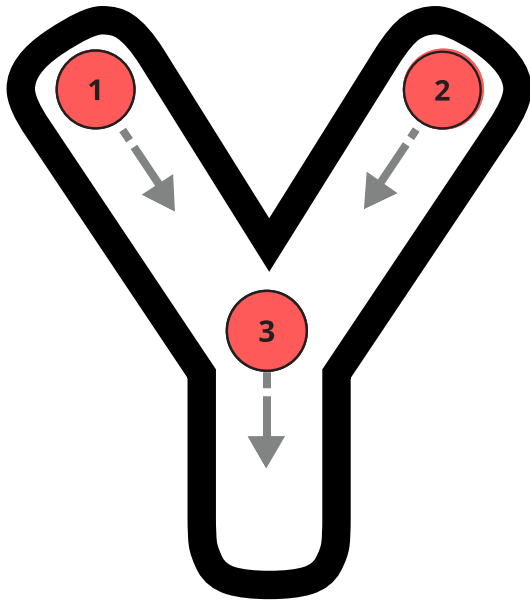

X is for X-Ray Star.

Trace the letter.

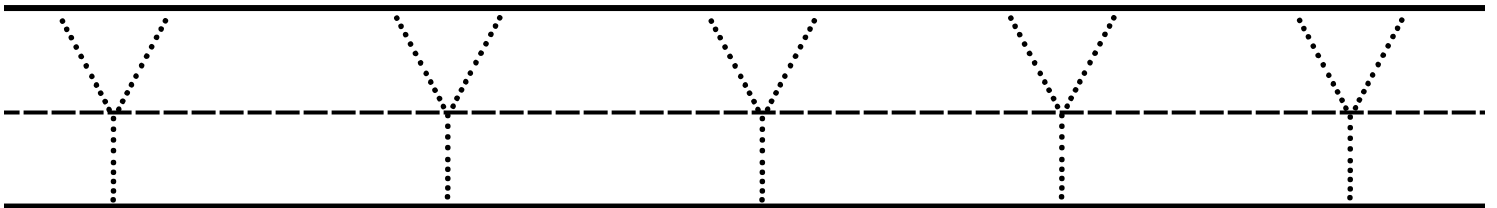

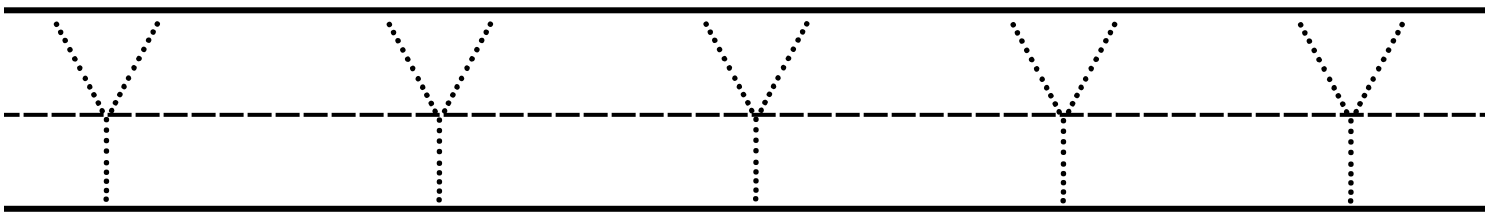

Let's trace letter Y.

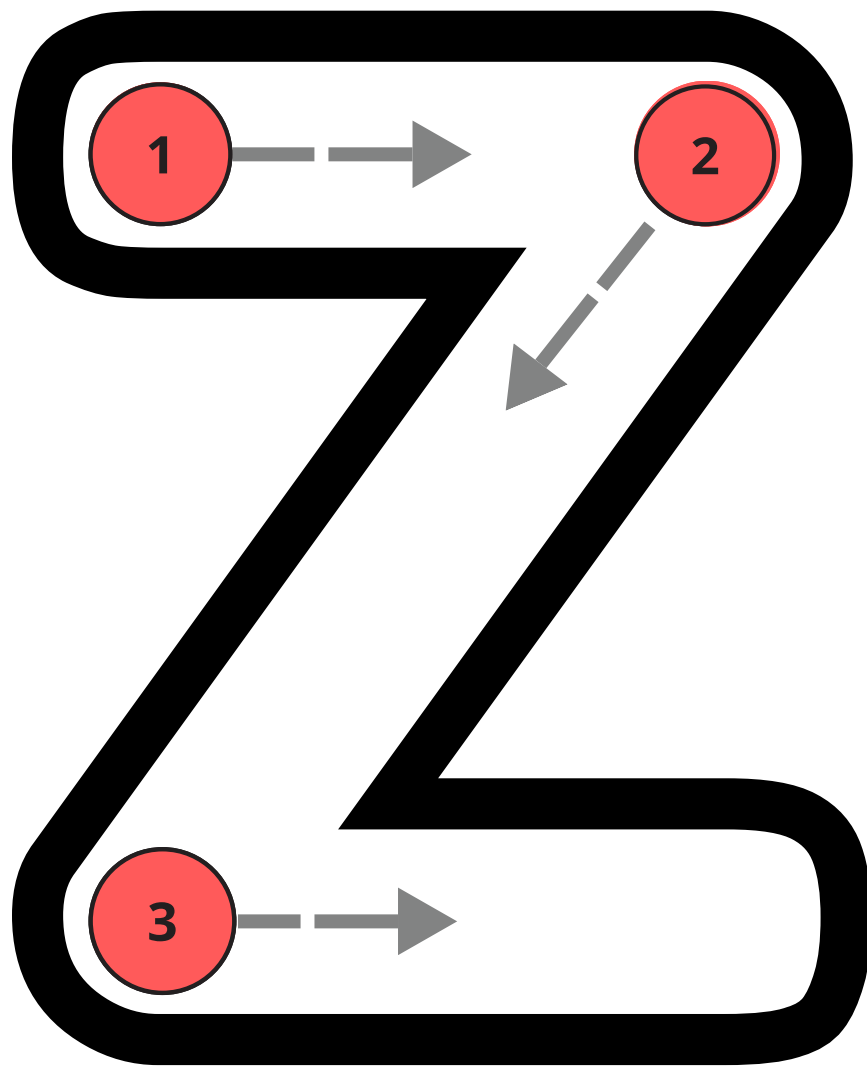

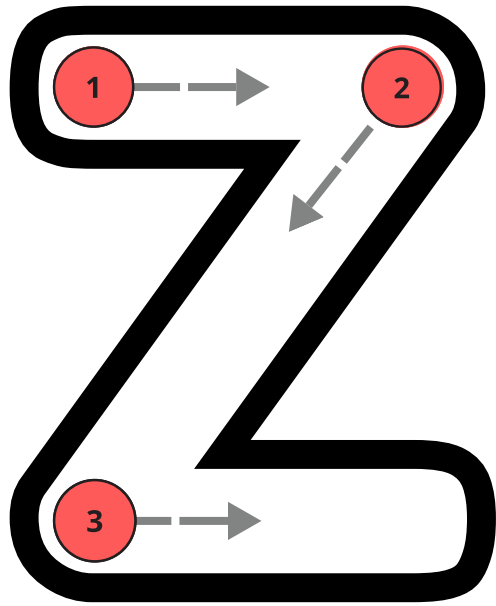

Y is for Yellow Dwarf Star.

Trace the letter.

Let's trace letter Z.

Z is for Zero Gravity.

Trace the letter.
